Lakewood High School Is Boys and Girls Finding Fun

and Satisfaction in Studying and Working Together

Lakewood Gives Each Boy and Girl the Opportunity

Studying sample ballots is one of the projects of civics classes.

Unofficial ballots are studied in this American history and civics class so that students may learn the mechanisms of our democratic elections.

Freedom to make decisions
is the keystone of democracy.

to Learn Democracy...

Books like **World Communism Today** and **War or Peace** help a student to realize the conflicts which he will face as a citizen of a free country where he may analyze controversial problems—where he is not forced to accept propaganda.

Students use reference material on all phases of a subject.

Democratic methods are practiced at town meetings led and sponsored by the Times staff.

Lakewoodites line up for Student Council elections.

To Understand

The Lakewood student learns the ideas of democracy first hand by his participation in student government.

Whether it be meeting a new friend or participating in a government council, courtesy recognizes the intrinsic worth of every individual.

Sociology classes study respect for others as the basis of courtesy.

and Practice Democratic Living . . .

Literature classes read works giving the philosophy of American life.

Respect for the contribution of each race
and individual is the fundamental
idea on which the democratic way of life is based.

To Choose a Career and to Develop Skills . . .

Basic experiments give an understanding of the importance of science today.

To Understand the Importance of Modern Science . . .

No high school student is ready to go into today's world without at least learning the fundamentals of science and its relation to modern life. Biology, chemistry, and physics give the student these fundamentals.

Biology students learn the correct way to use a microscope.

In a fundamental experiment students learn the nature of gases.

The fundamentals of weather and wind supply important background for prospective flyers.

A simple problem in the physics of sound leads to an understanding of such modern miracles as sonar and radar.

To Develop an Appreciation of Music, Art, Nature,

Listening, playing, singing develop responsiveness to music.

The work of the masters develops
an appreciation of design.

and Literature

Working in the school greenhouse
helps to create a deeper enjoyment
of the beauties of Nature.

Classes study sculpture.

Reading works of great writers
widens one's knowledge of
human experience and motives.

Horticulture class works in the greenhouse transplanting ferns.

A class examines a student's reproduction of the Fortune Theater.

All phases of art make possible
the creative use of leisure time.

To Learn That Leisure Time Can Be Hobby Time . . .

Whether science or fantasy, whether
Shakespeare or Benchley, whether
for knowledge or pleasure, Lakewood
students find that reading is one
answer to the question of leisure time.

Individual sports give pleasure
in later years as well as now.

Books on all subjects
promote reading for fun.

Craft classes widen
interest in art hobbies.

Techniques learned in pattern making
can be used in woodworking hobbies.

Weaving is but one of many answers to problems of leisure time.

Bowling is good sport,
individually or on a team.

Photo enthusiasts combine
woodcutting and photography.

To Have a Better Understanding of World Problems

Through the Study of History, Foreign Languages . . .

Understanding the significance of current events is made easier
by knowing the history and languages of foreign countries.

To Learn Homemaking and to See the Significance

Realizing the significance of the family, which is the center of our society, is important for successful living. Contributing to such an understanding are classes in homemaking skills, in personal problems, and in sociology, where discussions are held on the influence of the family on juvenile delinquency.

Home economics classes give training in the care of small children.

Skill in designing and making clothes helps balance family budgets.

of the Family to the Individual and to Society . . .

Skill in cooking is vital to homemakers.

Classes study home and delinquency.

Conferences help in college plans.

Mothers, daughters discuss problems.

To Communicate Ideas Clearly and Effectively . . .

Writing last minute stories for the **High Times**, finding the exact words for the space in the **Cinema** copy, taking part in class discussions and debates on current topics, composing themes in English class, creating a role in a play—all these give experience in communication, an important technique in democratic living.

Skill in communicating ideas is emphasized in classes in composition, journalism, and speech.

To Acquire Facts

A well-rounded sports program, health classes emphasizing balanced diets, and frequent check-ups promote physical well-being and mental alertness.

Appetites are satisfied by a variety of menus.

Health classes promote correct eating habits.

Community Educational Leaders Plan School Program

Interested in the young people of Lakewood, these citizens serve as members of the Board of Education: Mr. Clarence C. Powerbaugh, vice-president; Mrs. H. D. Abernethy; Mr. Byron R. Mitchell; Mr. T. D. Auble, president; Mr. A. G. Graber.

Lakewood Board of Education

After being a castle in the sky for years, the "Cabin in the Sky" is about to become a reality as part of the present building program. One of the new buildings will combine the "Cabin" and two new gymnasiums. If government regulations permit, the Board hopes to begin construction immediately.

Lakewood High School students are already enjoying the results of the construction and improvement program planned by the Board of Education. A two-story arcade connecting the buildings has been completed. The ramp corridors with fluorescent lighting add a modern note to the campus. Other projects include replacing the lights in the buildings and redecorating all the classrooms. The community of Lakewood has delegated the responsibility for an effective educational system to the members of the Board of Education. They are providing a program which will help the young people of Lakewood to meet the inspiring challenge of today's world.

to Meet Needs of Lakewood Youth in Today's World

**Superintendent
Martin W. Essex**

Martin W. Essex, Superintendent of Schools, is responsible for planning the kind of school and curriculum that will help Lakewood youth to meet the challenge of today's world. While he is unable to visit LHS often, Lakewood students are aware of his interest in their activities.

**Assistant Superintendent
S. S. Dickey**

Assistant Superintendent Samuel S. Dickey has been responsible for supervising the construction of the new corridors in addition to his regular duties of purchasing school supplies, and the employment of office personnel for Lakewood schools.

Principal
M. A. Povenmire

Mr. Povenmire, Monda Lee Shipman, and Tom Flynn discuss Council plans for school year.

"This year has been an especially good one because the students not only have met the challenge of the school motto, '*Carpe diem*' but have also lived up to the spirit of the school song, 'all allied in loyalty.' The poise with which young people have faced the serious problems brought about by the world situation is a real inspiration to adults,"

said Mr. Povenmire when asked to comment on the year at LHS. He commended the students for their fine response in meeting the educational experiences which Lakewood High provides them. Students appreciate the opportunity to work with Mr. Povenmire, who in his friendly, democratic manner is always willing to help them.

Friendly Leadership Is Keynote of Life at Lakewood

Mr. Robert L. Meeks, assistant principal for twenty-three years, is dean of boys and has charge of arranging program schedules for teachers and students. As educational adviser, he holds conferences with students and their parents about suitable courses and makes necessary changes in programs.

Miss Lucy Helen Kimball's friendly advice is known to every Lakewood girl, for some of her most important duties are connected with her position as dean of girls. All students come in contact with her helpful counseling, however, for she is adviser to Student Council and to the 12A Friendship Chapter.

A Cappella Choir Tour

Officers of the Senior A Cappella Choir and faculty chaperones watch Mr. Povenmire give Mr. Evans the Kiwanis Club check for \$300 to help finance the choir trip to Boston during Easter vacation.

Students and faculty members will long remember the friendliness and sincerity of Miss Grace E. Powell, commercial teacher at Lakewood High School for twenty-seven years. Students in her classes profited from her skillful, sympathetic teaching, and members of the Hi-Commercial Club, of which she was adviser, found her practical, kindly advice an aid not only to successful careers in business but also to happy personal lives. We pay tribute to the thoughtful acts, practical help, and energetic service which characterized her life as teacher and friend to everyone.

THE OPPORTUNITY... TO MAKE FRIENDS...

Homework and tests, parties and proms are preludes to Commencement—the end of the beginning.

Seniors Earn Membership in Honor Society Through

Honor Society officers use a candle to light the symbolic torch at the impressive bi-annual induction service.

The donning of jeans and old shirts to clean and polish all Lakewood's trophies in the main hall cabinets is as much a part of Honor Society activities as is wearing dark suits or dark skirts and white blouses for the induction assembly. Members, who wear a miniature of the club symbol, a gold keystone and torch, also serve by tutoring fellow students. Club members alone have the privilege of trying out for a National Honor Society Scholarship to any college. Because members are busy with other activities, the number of business meetings is kept to a minimum. Twice a year new members are honored at a dessert meeting. The spring induction service was an experiment in new procedure. Instead of following the roll-call of new members with speeches by the officers, the group asked Mr. Essex to speak.

Dungaree-clad Honor Society members wield polishing cloths as the school's trophy collection receives its annual cleaning.

Lower left: Ida Sihto and Sally Stearns lead the Juniors and Seniors of 1951 in a new dance—the Hokey Pokey.

Upper right: Donning blue and white robes, and caps, the seniors marked the finale to their high school careers.

Lower right: C. Spaulding's hot water bag and S. Birchard's falling tray provided laughs in "Ah, Sweet Mystery."

Red ties, red ribbons, and red carnations distinguished the January seniors on their last day at LHS. The play "Ah, Sweet Mystery" and individual acts made up the program of

class night. Marching to the strains of "Pomp and Circumstance" at Baccalaureate and Commencement, and dancing at the proms rounded out senior week for graduates.

CARPE DIEM...GRASP

A trophy to the champions—Ranger teams prove their mettle in victory or defeat.

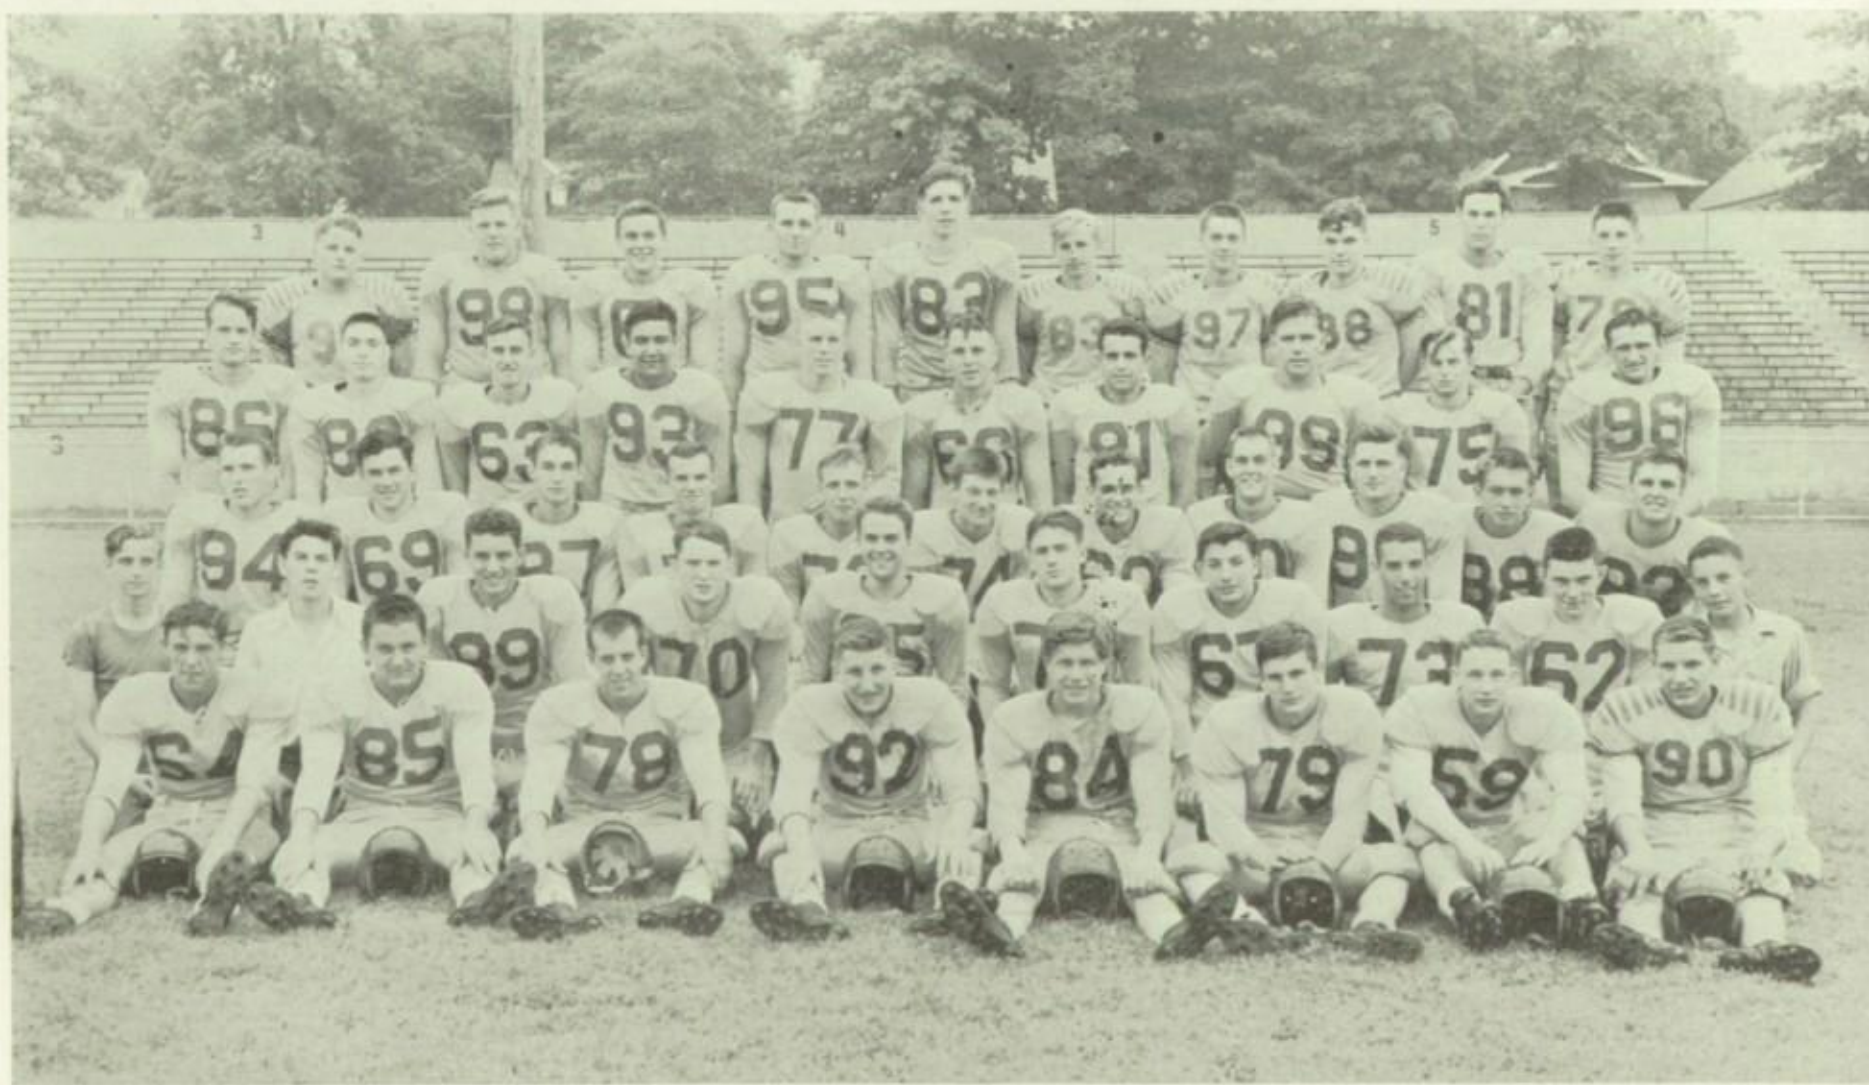

THE OPPORTUNITY...TO PLAY...

Lakewood girls enjoy the fluid grace of the dance and the excitement of competitive sports.

Rangers Smash Their Way Through First Undefeated,

With the opening of the '50 football season most fans agreed that Lakewood would turn out only an average team. But with the season over, the Rangers stood seventh in the state, led the district in scoring with 305 points, and completed Lakewood's first undefeated season since the Golden Tornadoes of '24. Individual honors went to Ray Perkins, who scored 126 points for a new district and school scoring record; and to George Mason, who tallied 54 points for a new LEL record. In his first season as head coach, Mr. Scullion deserves much credit for turning out a championship team.

Head Coach Jim Scullion, flanked by Assistant Coaches Tony DiBiasio and Carl Antel, plans strategy for the team.

Row 1—Gura, Dukles, Thompson, Kevesdy, Thornton, Jacobs, Paine, Stawski • Row 2—Reppa, Manager, Crothers, Manager, Costello, Schlegel, Ingram, Tittsworth, Nicklos, Comella, Placzankis, Dzurik • Row 3—Asbeck, Bacik, Kaiser, Simpson, Mason, Pavlus, Botson, Langner, Kellogg, Skop, Brandt • Row 4—Saxton, Eck, Kornick, Stocking, Perkins, Sinatra, Nichols, Redifer, C., Strong, Grob • Row 5—Hiskey, Varga, Torrance, Lepor, Redifer, B., Charnigo, G. Miller, Bowman, Jim Miller, Bluemel.

Untied Season Since Famed Golden Tornadoes of '24

Rhodes—The 1950 Rangers showed a powerful offensive machine from the kickoff as they rolled to an impressive 46-6 win. Ray Perkins scored four times to pace the victors.

Parma—Coach Scullion substituted freely, using 41 men as Lakewood won easily, 54-13. Perkins starred again, scoring five TD's.

Cleveland Heights—The Rangers chalked up their third straight as Heights fell, 32-7. Perkins scored on a 63-yard run that was accented by effective downfield blocking.

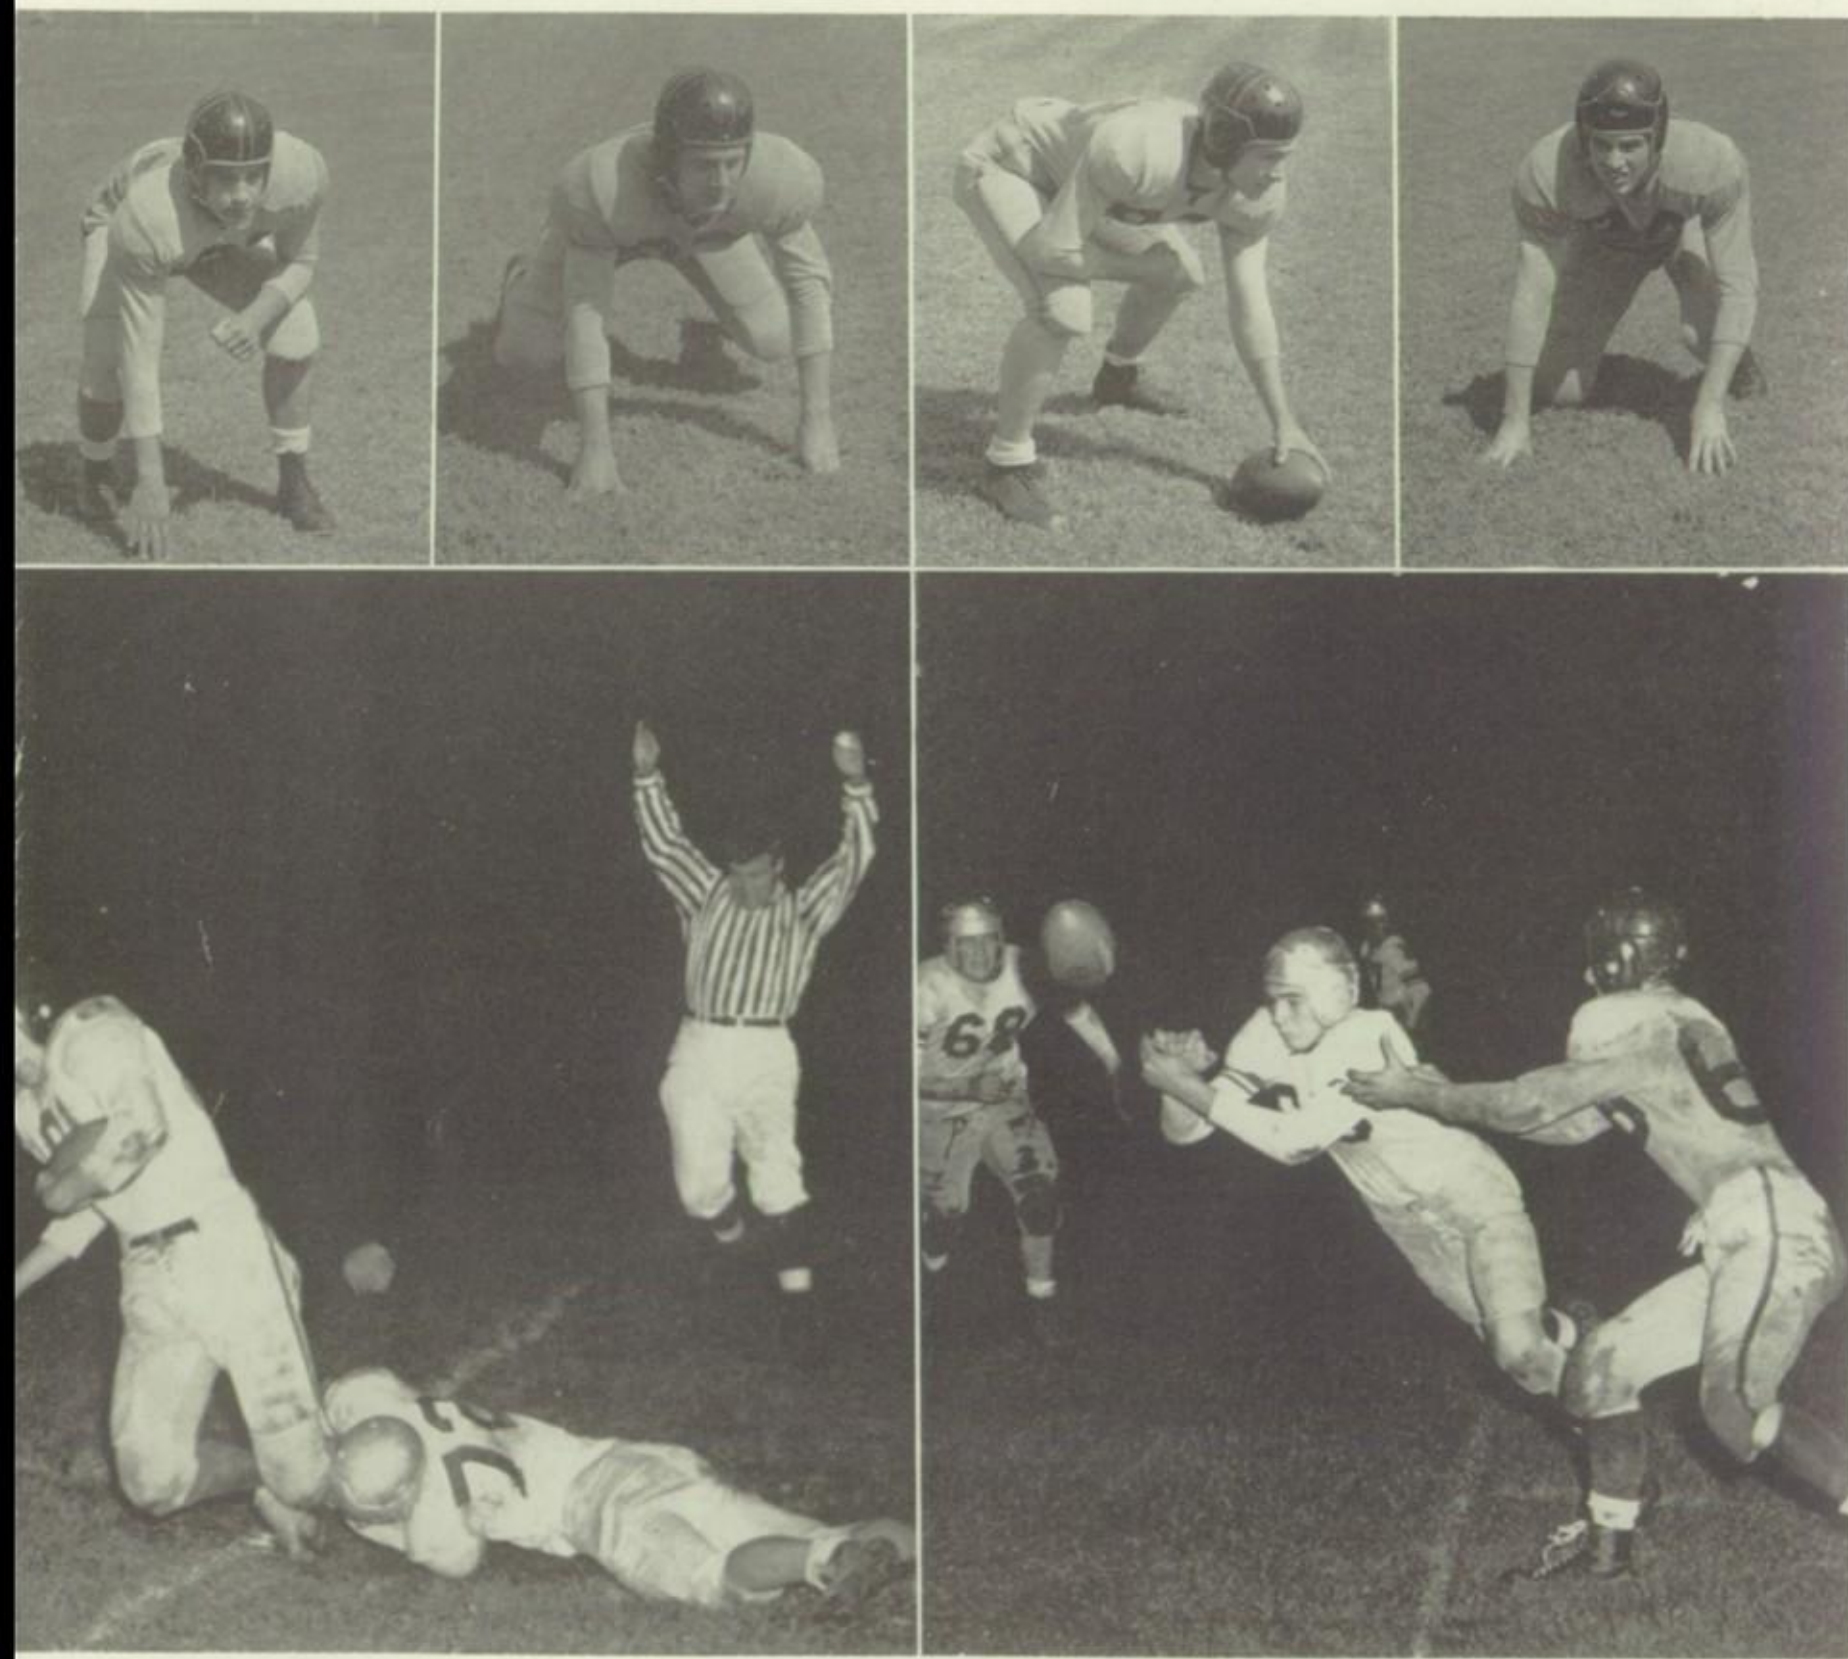

Elyria—Lakewood continued on the winning road by downing Elyria 21-6. Halfback George Mason tallied all three Lakewood scores.

Lakewood Takes 10 Straight, Ends Season With Defeat

Shaw—With quarterback Dan Langner hurt on the eighth play, the Rangers found it tough going. But with eight minutes left, Mason went for 45 yards to wrap it up, 31-25.

Collinwood—Because of an aggressive enemy line Dan Langner, quarterback, used an aerial attack in the 14-7 Lakewood victory.

Lorain—In a game highlighted by defensive play, Lakewood racked up number seven, 20-7. Defensively Mike Skop, Ray Perkins, and Emery Botson sparkled for the Rangers.

John Marshall—In a driving rain that slowed the game and churned the field to a sea of mud, Lakewood topped the Lawyers, 19-0.

Shaker—In the game they were pointing to all season, the Rangers revenged Shaker's '49 victory. Scoring from both land and air, Coach Scullion's boys poured it on to the tune of 48-0. George Mason and Ray Perkins each scored twice, while Kornick, Langer, and Comella added six points apiece.

West Tech—Despite the efforts of an upset-minded West Tech eleven, the Rangers completed 1950's perfect season by dumping the Warriors, 20-18. Thus came to an end Lakewood's first undefeated season in 26 years, a success made possible by the efforts of coaches and players, and their desire to win.

The Lakewood High Junior Varsity under the direction of Coach Don Harwood ended their football season with a successful record. Playing nine ball games, the team chalked up six victories, two losses, and one tie. All through the season, the JV's displayed a fighting spirit which all opponents learned to respect. Even in defeat, Lakewood's JV's showed they were in there battling all

the way. As the season progressed, a great deal of varsity material was uncovered. The spectators of next year's varsity games will see many of these same boys in varsity uniforms. With this season's successful record behind them, it seems certain that next year these battling sophomores will give the varsity the depth of material essential to a championship team for Lakewood High.

Led by Ian Ulen, Con Olson, and John Kornick, the basketball team showed improvement with each succeeding game, climaxing the year with the biggest scholastic upset in the district, the defeat of St. Ignatius, city champs. Finishing the LEL season in second place, the Rangers had been championship contenders until Euclid's 61-57 overtime win. John Kornick and Con Olson finished one and two in the LEL scoring race. The season opened with a 44-42 overtime defeat of Shaw with Jack Gerson contributing the decisive two points. An example of the team's constant improvement is the fact that Lakewood dropped four of the first seven games but ended the season with a twelve

win-seven loss record. The most important victory in LEL competition was the defeat of Cleveland Heights, 53-44. Besides upsetting all predictions as to the outcome of the game, the victory added to Lakewood's reputation as a potential winner against any foe. Other players who saw action were Bud Barta, Dick Clancy, Les Slaman, Bill Redifer, Bill Fordyce, and Bill Trumbo.

JV Cagers Increase Knowledge of Fundamentals

Row 1—Costello, Haely, Williams, Harrison, Zoellner • Row 2—Manager Drue Williams, Skop, Rich, Brandt, Grob, Fairbanks, Keeler, Zeninetz • Row 3—Coach Harwood, Farr, Osborne, Rogers, Feather, Miller, Baker.

Training ground for future LEL champions is the Junior Varsity basketball team, which ended its season with a not too spectacular 5-win, 10-loss record. Considering, however, that these boys were being trained with emphasis on fundamentals, not victories, the test of any JV team is not their record as JV's but their record as varsity

players when they are seniors. Coach Don Harwood had a number of talented boys to work with this year. The starting five usually included George Rich, Jim Miller, Duane Keeler, Ed Grob, and the team's top scorer, Tom Brandt. The team losses weren't as bad as they looked, for five games were lost by only one or two point margins.

Harriers Place First in LEL and Second in State Meet

Ed Marlin, Kim Bredenbeck, Ed Mino, and Bill Schafer run the cross-country course surrounding the football field.

The harriers of Lakewood High under Coach Norman Brown finished their best season since 1931, placing second in the state meet. They completed a good practice schedule, and repeating their fine performances of past years, successfully defended their LEL title on the Forest Hills Park course. Bad breaks in the District Meet resulted in their placing fourth, just qualifying for the state meet at Mansfield. The team, strengthened with second stringers, raced on to nail down second place in a field composed of the seventeen top schools in Ohio. The scoring five were Sharpe, Clarke, Mino, Nixon, and Martin. Seniors Mino, Martin, and Schafer were Lakewood High's top runners of the season and good junior and sophomore runners give promise for next year's team.

Tennis Squad Captures Third in LEL Competition

Coach Al Farquhar's tennis squad completed the season with a two win, two loss record, and third place in LEL competition. The boys' first match was with the Red Raiders of Shaker and was a repeat of last year's 5-0 disappointment. Gathering themselves together, the team came back rapidly and outplayed the Pioneers from Elyria, with a highly satisfactory 4-1 victory resulting. The following match with the Lorain Steelmen also was added to the Rangers' victory bag, 4-1. They swung the other way, however, in the last match of the season, dropping

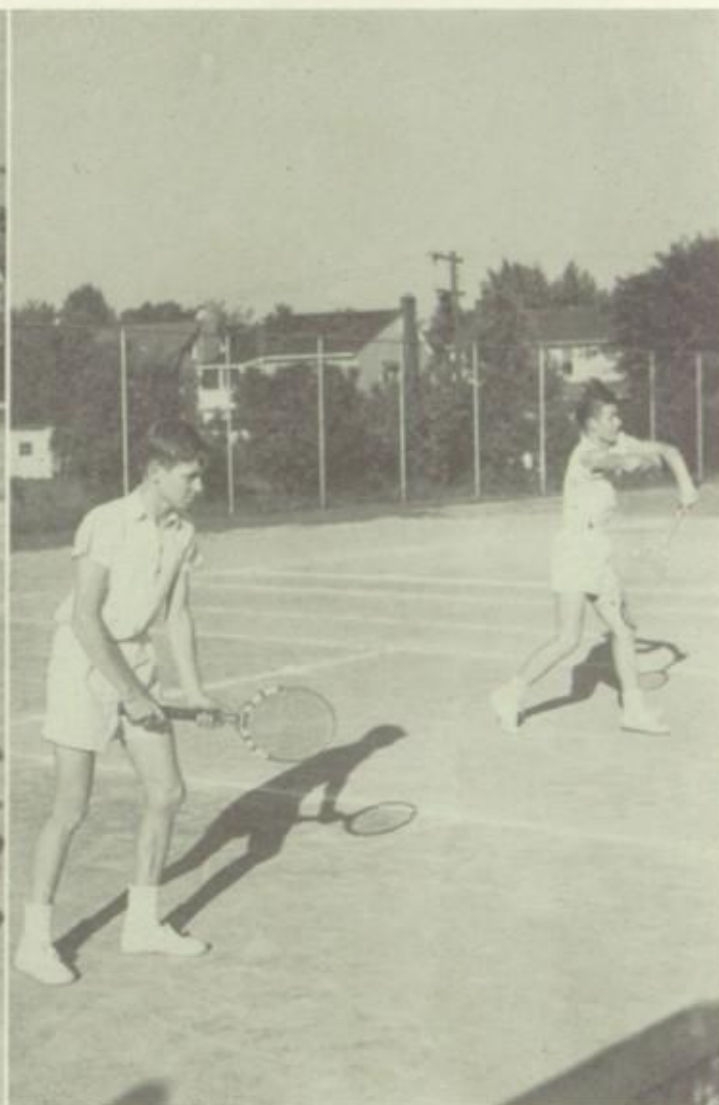

a 4-1 tilt with the Shaw Redbirds. Bill Ragland, Jack Kemp, Bruce Sobe, and Dick Marosek, were the four returning lettermen who led the clay courters to their victories. Bruce, Bill, and Jack were the boys who went to the line in singles competition, while Frank Nixon and Dick Marosek, first doubles, and Gardner Weeks and Jim Minarik, second doubles, teamed up for their opponent's defeat. Coach Farquhar, planning strategy for his ninth season, is counting on Bruce Sobe, this year's captain, and Frank Nixon to lead the 1951 Ranger clay courts squad.

Five returning lettermen, Larry Long, team captain, Al Britton, Pete Way, Dick Cronenberger, and Dick Arnold, weren't able to make up for the inexperience of this year's swimming team. The team came in third in the LEL, fourth in the city, and fourth in

the district meet, sending eight men to the finals at Columbus. Prospects for next year's team are very good, however, as four boys made the varsity in their first year. One of these was Graham Vanderveer, high-point man and winner of the Feldner Award.

Grappling their way through a hard schedule, Lakewood's matmen capped the season by taking third place in the city finals. Wrestlers Frank Schubeck and Jim Baker took third in the state while Joe Williams and Wally Newhauser finished fourth. In the most exciting match of the year, Shaker's Red Raiders led Lakewood going into the final match. But Don Lehet, wrestling his first match for the Purple and Gold, spotted his opponent twenty pounds and went on to win to give Lakewood the match, 18-14. The grapplers took two matches from Marshall while beating Hay, Adams, and Shaker once.

Wally Newhauser is on the bottom for the moment in his match with Pete Rossi of West High. Wally was unable to recover and defeat his opponent; and Lakewood, following his example, dropped their first match, 27-9.

With veterans Bill Costello, Dick Savage, Jim Porcella, and Dick Abraham leading the way, the 1950 Ranger ball team captured second place in the LEL. John Kornick and Dick Sinatra led the team offensively, John topping the team in batting average, and Dick hitting safely in every game. These boys form the nucleus of the 1951 ball team.

Len Lucas, Dick Milligan, and Pat Good, another junior, were the pitchers who sparked the team defensively. They were ably received by "Iron Man" Dick Abraham, who caught every inning of every LEL game. The team was further strengthened defensively by the tight playing of Mike Pavlus, Rudy Novotny, John Andrews, Dick Vogel.

1951 Thinclads Tie for Second Place in Arena Meet

Opening the season with a defeat at the hands of West High, 49-28, the Ranger trackmen bounced back to take the next five indoor meets. These meets were largely practice for the Arena meet in which Lakewood tied for second in the Western division. In this meet the 880 relay team composed of Dick Yeck, Dick Jacobs, George Mason, and Don Simpson took first place as did the light-weight 880 relay team and Ian Ulen in the high jump. The 880 relay team took fourth in the city in the K. of C. meet. The team has high hopes for the outdoor season which begins after the **Cinema** press date. Elected captain for the team is Don Simpson.

meet Lakewood finished fourth with 343 points. To those unfamiliar with the scoring system, players are awarded two points for winning the first nine holes, two for winning the last nine, and four for registering the lowest total score of the match.

'L' Club Members Set Standard for LHS Athletes

The Lakewood "L" Club is Lakewood's most exclusive organization. Not an active club, membership is restricted to lettermen in major sports: football, basketball, baseball, wrestling, track, cross country, tennis, golf, and swimming. Meeting only once a year, to have the **Cinema** picture taken, the club serves only to recognize the regulars on the athletic squads. The captains of the teams, the unofficial officers of "L" Club, are usually chosen by the coaches, but are sometimes chosen by the voting of the previous year's lettermen. Bruce Sobe became the captain of the tennis team by defeating all other members of the LHS clay courts team.

Bill Schafer was the captain of the second-in-state "Hill and Dale" boys. Con Olson, second-highest scorer on the second-place LEL team, led his basketball teammates. Wally Newhauser was the elected captain of the matmen, and Larry Long, third-best man in the district, captained the swimmers. Last year's baseball team had veteran Bill Costello as its leader. The football team used a system of rotating captains. Each senior on the starting line-up was the captain for one game. The elected captain of the track team was Don Simpson. Larry Hager-son, first of the golfers to get a major "L", led Lakewood High's 1950 golfing team.

Two awards may be won by girls in athletics at Lakewood High, an insignia and an "L." The insignia, most commonly received, is given for 300 points. 900 points are necessary for an "L." These awards are made twice a year to those with the required number.

The point system is based on participation in after school sports. The large variety of activities enables many girls to take part in a favorite sport. Such activities as basketball, volleyball, tennis, and ping pong are typical sports in which they can earn points.

Millie Class, Barbara Uebel, Barbara Silliman, Irene Bobak, Monda Lee Shipman, Karen Erdman, Joanne Gaydos, Jean Barlow, Carolyn Winkler, Lee Kropp receive L's for their numerous sports activities.

Athletic Board

An innovation in girls' athletics this year was the organization of the athletic board composed of the eleven managers of intramural activities. "The purpose of the Board is to organize and regulate after school games," said Ann Dustman, the first chairman. Members are appointed by the preceding Board and the gym teachers at the end of the spring semester. They are chosen from a list of those indicating that they have time and would like to be a manager of a sport. Two secretaries are in charge of recording points. Any problems concerning the functioning of a tournament are referred to the Board for a discussion and a fair decision.

Yale-Harvard

To wear the traditional crimson of Harvard or the blue of Yale, is one of the top achievements in girls' intramural athletics. The annual Yale-Harvard basketball game is the result of much after school practice by the participants. They are selected by the physical education teachers, team captains, and game referees on the basis of their knowledge of techniques, skills, and good sportsmanship. The week of the game, students wear the emblem of one of the teams. Posters and ticket sellers constantly remind the school of the approaching battle. A dinner, attended by all the players and assistants, closes the game activities each year.

Five nights a week the girls' gym is a center of noisy activity. Eleven sports, both team and individual, attract every girl some-

time during the year. In addition to the after school games, a variety of exercises keep the girls' gym classes in A-1 condition.

to Acquire Co-Ordination, Sportsmanship, and Skills

Top: Archery is one of the most popular of the minor sports at Lakewood High. Instruction is given in class and after school to both beginning and advanced archers who wish to earn points toward an athletic emblem. Lower left: Barbara Silliman spikes the ball over the net for a point in the annual all-star volleyball game.

Girls sign up for their favorite activities, select their captains, and choose their own teams. One girl or team eventually reigns

as school champion in each sport. The winners of each grade play one another to determine who will win the coveted honor.

Boot and Bridle Members Visit Famous Stables

"Oh for a horse" is the thought of these Boot and Bridle members: **Row 1**—Jedlicka, Hay, Martin, Noll; **Row 2**—Reid, Uebel, Brobst, Schimansky, Huxtable, Biddulph; **Row 3**—Miles, Williams, Durey, Switlinski, Loeffler, Sebo; **Row 4**—Adams, Cain, Donnelly, and Knapp.

Boot and Bridle officers, Kay Huxtable, Judy Schimansky, and Barbara Noll, were snapped by the photographer just before starting on a ride through Metropolitan Park.

"If your riding begins and ends at the mounting block, you may be a good rider but you will never be a good horseman," is the cornerstone about which Boot and Bridle is built. "Where did you say the gaskin is?" and, "Oh yes, that's the whirl bone!" become familiar phrases to the prospective, begin-

ning, or advanced horseman during lessons in horsemanship, as members prepare for skill tests for physical education points, the outstanding project of the year. A visit to the stables of Mrs. Knapp, a noted Cleveland horsewoman, followed by a wiener roast was a special event on the year's calendar.

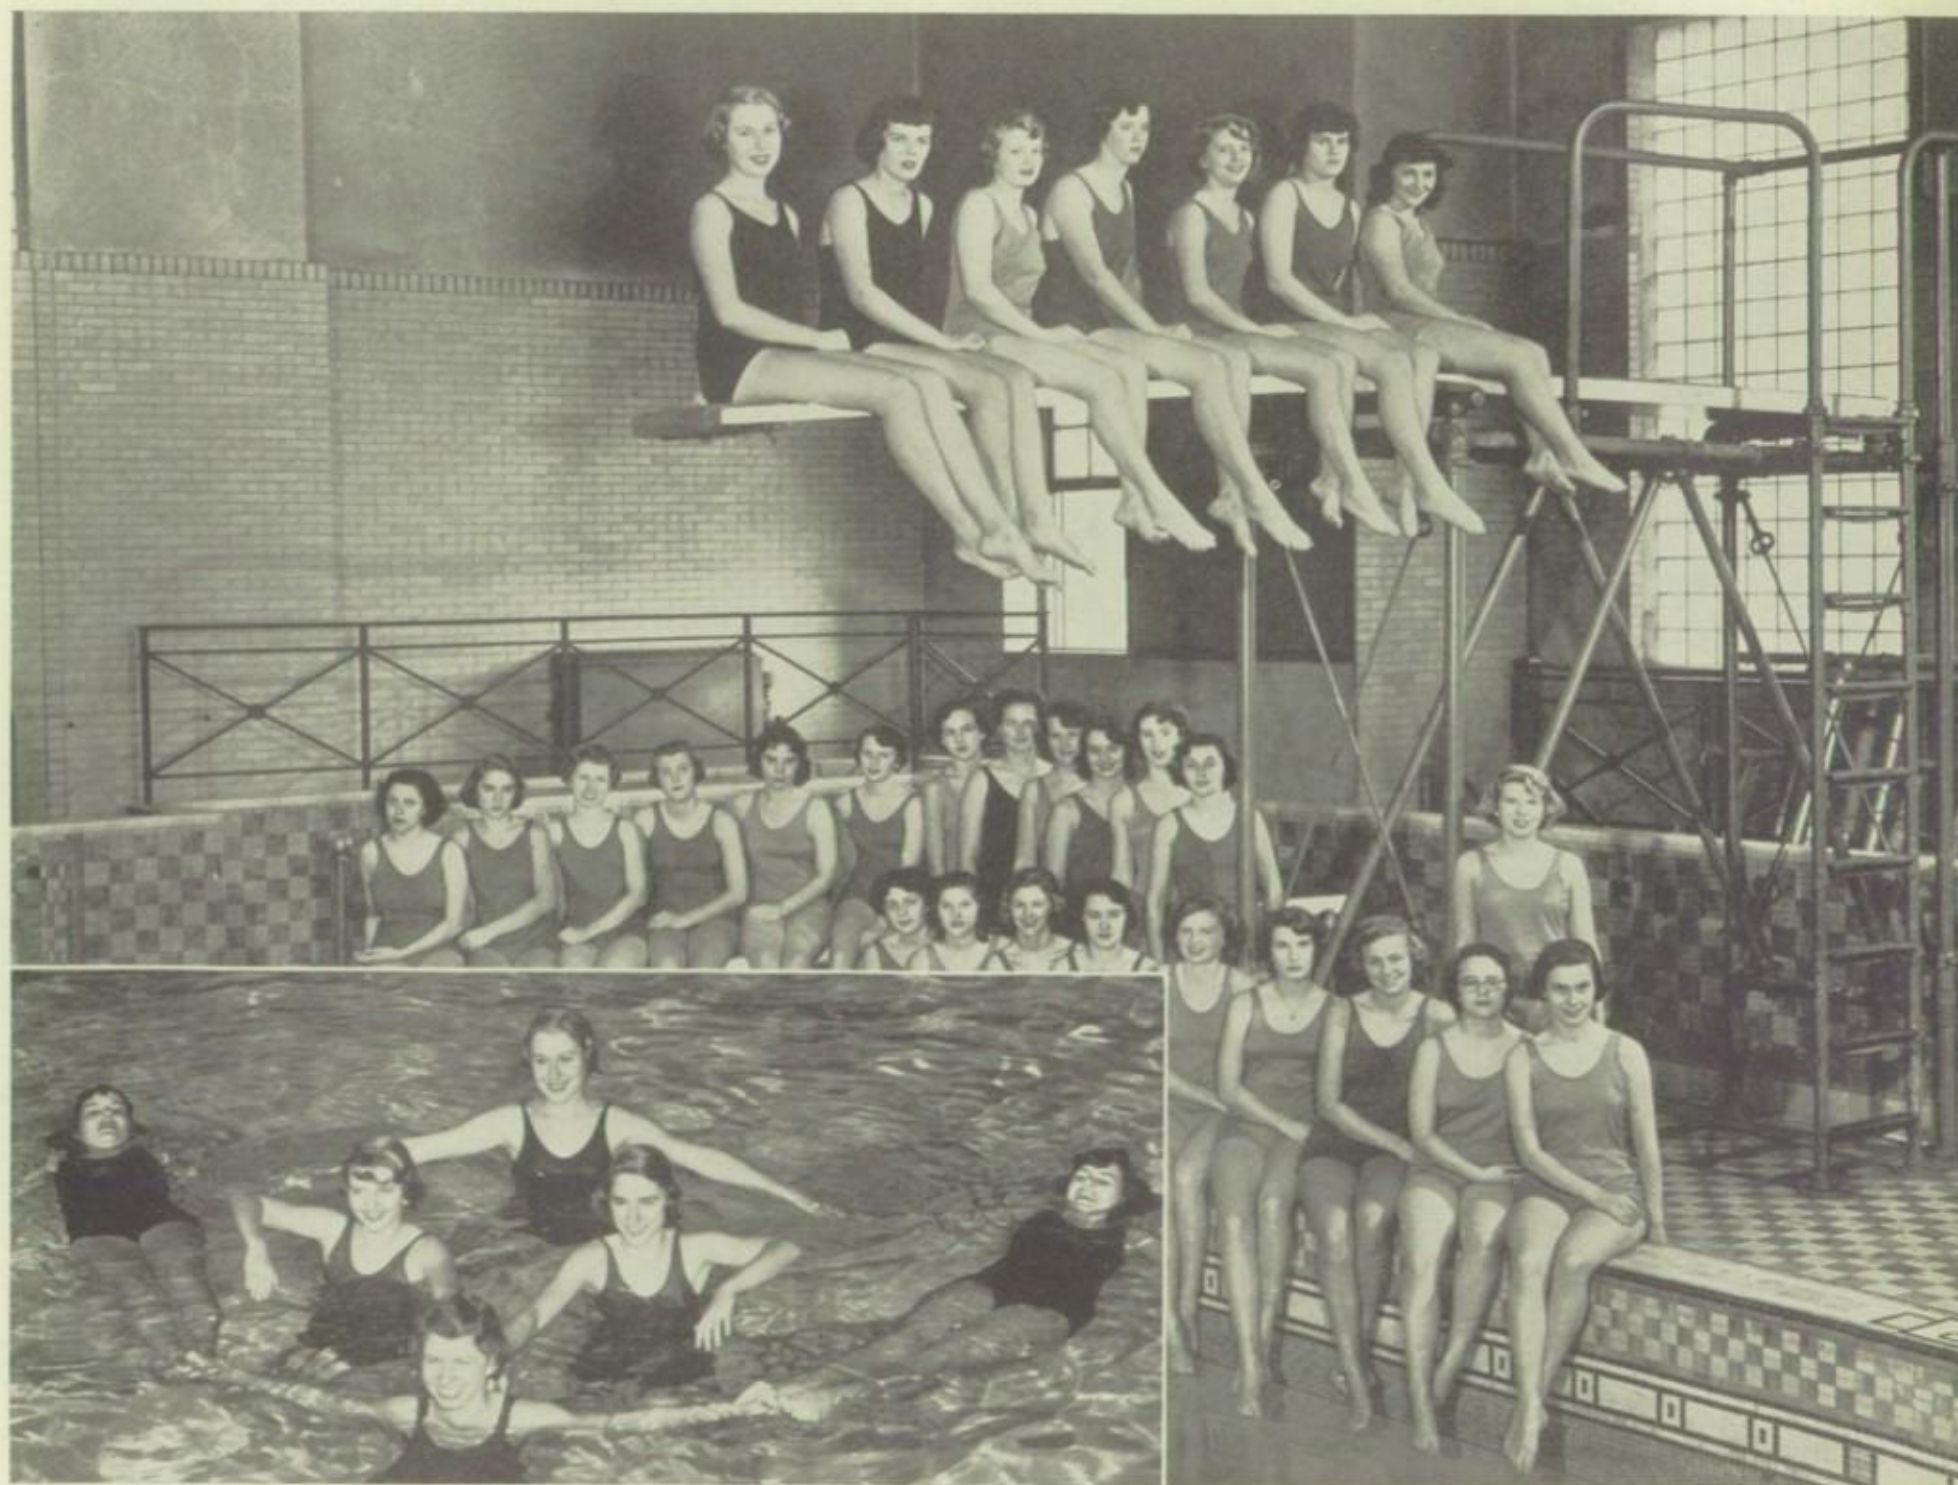

Tankateers Present 'Ten Strokes Around the World'

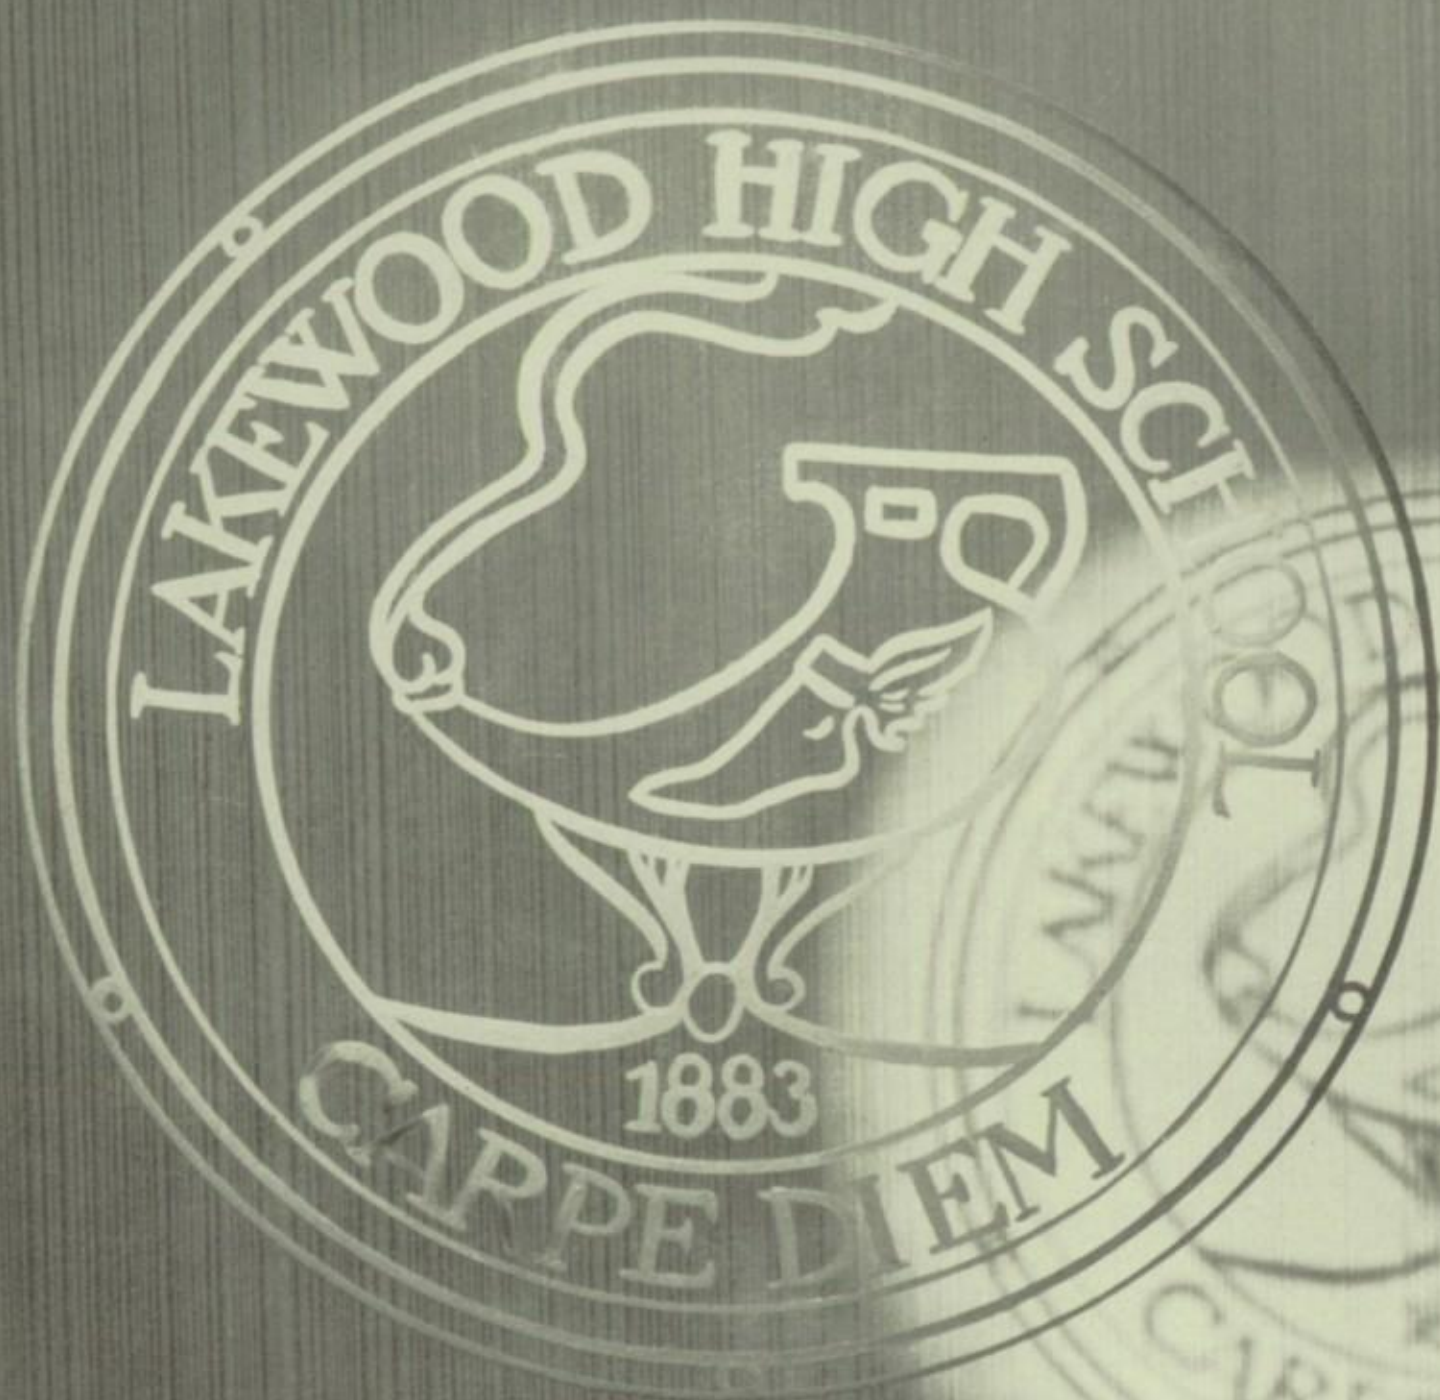

This year's Tank Show, "Ten Strokes Around the World," took the audience to ten different countries—Scotland, Italy, China, South America, France, Alaska, Africa, Russia, Germany, and America. Dressed in a characteristic costume, a girl representing one of the countries stepped from the mouth of a whale. The idea was then developed through synchronized swimming. The pro-

gram ended with a grand finale in which Sandra Williams represented America. Other countries were represented by Dawn Anthony, Marj Sherman, Barbara Uebel, Karen Erdmann, Mary Lou Pritchard, Pat Horn, Barbara Drew, and Jane Galbraith. The girls worked all year developing endurance by swimming several lengths each day and practicing synchronized motions of the acts.

School Spirit Originates in Willingness to Cooperate With Others in Service Activities and Groups . . .

Important for living successfully in a democracy is learning to give as well as to receive. Lakewood High School presents many opportunities to practice this principle through its clubs and activities. Out of such service to the many smaller groups that make up the school grows that indefinable characteristic—a true school spirit.

Student Council Subsidizes School's Athletic Fund

Air foam pillows, bright beanies, new megaphones for the cheerleaders, printed programs for more of the sports events and, best of all, a new and efficient PA system for the athletic field—by these projects the past year's Council has endeavored to bolster school spirit and to bring information to the fans more effectively. Other Council projects include a highly successful magazine subscription drive which netted \$2,588,

the Red Cross and Community Fund campaigns, and the gift of T-shirts for the children of City Hospital through the Public Welfare Committee. Because of the success of the basketball dances last year, the Recreation Committee sponsored dances after the football games. Hoping to establish a tradition, the Council followed last year's "Laff Musicale" with another talent show, patterned after vaudeville shows of the 1910's.

Opportunity at Lakewood—Theme of 1951 Cinema

"Carpe Diem"—Grasp the Opportunity—is the Lakewood High School motto and appears on the school seal. This seal is stamped on every graduate's diploma and on every official document leaving the office. Because the motto and seal are such an integral part of Lakewood High life, the staff chose them

as the theme of the 1951 **Cinema**. Using the symbols of the seal, through the motto on the seal, the staff presented the ideas and ideals that make up Lakewood High. Pictured in these pages are the opportunities for every pupil "to learn, to make friends, to play, to express himself, and to have fun."

Assistant Editor S. Stearns, Co-editor J. Slavick, Business Manager P. Fahey and Co-editor B. Chappell compare the prize-winning '50 Cinema with this year's plans.

Despite the seriousness of the theme, putting out the 1951 **Cinema** was anything but a dull or boring undertaking. Making copy fit the block, and putting that special "sparkle" in a story kept every staff member busy. Most of the pictures were taken in four special days, and the details of planning and organizing the schedule required many hours of work. Having boards for windows and moving periodically from room to room because of the new corridor construction did not prevent the staff from sending "your book" to the printer in time to meet the traditional Honor Day distribution date.

Staff Records Spirit of Lakewood High—1950-1951

The staff, for the first time headed by co-editors, had as their goal the enviable record of the '50 **Cinema**, which won the Medalist Award at Columbia University and an All-American rating from the NSPA. Co-editors Betty Chappell and John Slavick were ably assisted by Sally Stearns, assistant

editor; George McFerron, chief photographer; Alex Barelka, advertising manager; and Pat Fahey, circulation manager. Miss Sara McFadden again gave her experience in the way of editorial advice to the staff, and Mr. Alex Farquhar, business advisor, helped guide the **Cinema** through financial problems.

High Times Judged Best High School Newspaper in

Will the **High Times** continue to issue more copies a school year than other school papers? Will our paper be smaller than normal? Will we have to pay a higher price? To solve these problems caused by decreased enrollment and increased costs of publication, **High Times** Town Meetings were inaugurated this year. At these meetings attended by the majority of the student body, the financial problems of publishing the paper were discussed by a panel of four staff members. With the students co-operating through the homeroom budget subscription plan, it was decided that the **High Times** could continue operating as it has in the past.

The **High Times** is an important part of Lakewood High life. Each Friday morning, general confusion is put aside long enough to read our paper. To Mr. Slater and about forty staff members, this is only the end of one week's work and the beginning of another—work they all enjoy. Five energetic editors oversee, plan, and write. Contributing columnists tell us the news; clever cameramen are always there when anything happens. Then when there's a speaker to be interviewed or new officers to be named, ever-ready reporters get their opportunity. But then everyone contributes to the **High Times**, for everyone in Lakewood High is news.

Nancy Witalis, Martha Drummond, William Ragland, Georgiana Davidson, Ed Delfs, and Sydna Kunze, some of the

senior members of this year's staff, are seen reading proofs and planning the dummy for a forthcoming issue.

Greater Cleveland District by City Newspaper Guild

Mailing papers to alumni and other people interested in the weekly happenings printed in the Hi-Times is a routine task of Dean Bowman, Bob Yeck, Bob Shapiro, Kay Hughes, Pete Way, Barbara Carl, and Charlotte Dahlke.

A cup for the best school newspaper in northeastern Ohio and an All-American Rating from the National Scholastic Press Association spurred them on and new equipment in 136 made their work easier, as the **High Times** Staff started the year. Jerry Linderman wrote an account of his "Day at the Press" and brought home the prize. A feud between columnists Williams and Ragland added sparkle to the paper. Returns for the staff's efforts came with the Newspaper Guild's choice of the **Times** as the "Best school newspaper in the Greater Cleveland District."

'Walking on Higher Places' Sets Goal for Friendship

S. Kunze, J. Parker, S. Williams, C. Thomas, J. Sajo, J. Gaydos, L. Ahlgrim, A. Bartenfeld, G. Davidson, C. Taylor, and P. Gage compose the main cabinet that plans all Friendship main meetings and other activities.

Walking in to the music of bygone years, wearing middy blouses, ankle length dresses, bloomer girl gym suits, and modest bathing suits, the members of Friendship main cabinet presented for an all girl assembly, a style show depicting fashion changes since 1913, the year the club was organized at Lakewood.

The first all-chapter suppers to be held in many years were quite successful and met an enthusiastic response.

Sally Birchard responded for the senior girls when the senior farewell was held during the Christmas service.

Members to Accomplish

"Walking on Higher Places" was chosen as the theme for the year, and the chapter and main meetings were designed to stress this idea. Emphasis was also placed on the six points of balanced living as outlined by the Y.W.C.A., namely worship, fellowship, service, arts, vocations, and social living. Serious moments were found in meetings such as the Recognition Service and Christmas service, but the lighter side was not neglected. The annual Hi-Y-Friendship dance, called The Cherry Tree Hop, chapter pot-lucks, all-chapter suppers and parties brought both fellowship and fun. To increase chapter treasuries, girls sold refreshments at football games and one chapter had a bake sale. Friendship and Hi-Y combined to bring Dr. Stromberg for a three-day conference in April. The climax of the club year came with the "Pa-Ma-Me" dessert.

Boys in Lakewood High's Nine Hi-Y Chapters Reach

The Senior Farewell brings to a close the boys' active participation in the work of the Hi-Y groups at LHS.

These 10B boys are participating in the induction ceremony which is the beginning of their Hi-Y experience.

"Hi-Y is something you take with you when you leave high school." So reads a letter from a former Lakewood High boy and Hi-Y member. Lakewood High boys who are members of one of the nine chapters of Hi-Y find that the ideas of fun and fellowship that this organization promotes last long after their high school days. Although they are usually entertained by outside speakers, the boys often conduct their own programs, ranging from movies on sports to discussions on teen-age problems. Emphasis on character is an important part of the Hi-Y. The solemn induction ceremony is a boy's first contact with the religious side of Hi-Y, and this emphasis is carried on by the devotional service at the end of every meeting. The boys' spirit of service and feeling for "the other fellow" is developed through contributions to the Y.M.C.A. Service Fund and through various other Hi-Y projects.

Their Goal of Fun, Fellowship, and Christian Living

Tom McKee, Bob Beckley, Mike McCann, Don Lehet, Dean Bowman, Bud Savage, Dave Kaiser, Chuck Stocking, chapter presidents, relax after discussion of future activities.

Developing the spirit of fun is one of the aims of Hi-Y. Each winter a basketball tournament is held among the chapters, and there is opportunity to increase skills in other indoor sports. Date nights and the annual Hi-Y-Friendship Dance are among the high points on the Hi-Y social calendar.

Supper at the Y House served by the Mothers Club is one of the traditions of the Hi-Y Chapters at Lakewood.

Bill Wallace's football refreshment committee, helped along by Mr. Findley, brought pleasure to football fans.

Librarians Rely on an Efficient Student Personnel

Directing the work in the library are Miss Findley, head librarian, and Miss Jones, assistant, but aiding them with the many details which keep the work of the library functioning smoothly is a staff of students.

Upper left: Library staff members June Warner, Marilyn Wick, Irene Bobak, and Carol Spaulding work at various phases of library duties while Pat Fahey checks out books.

Many Lakewood High students volunteer to work on the Library Staff before school, during a free period, or after school so that they may perform an important and necessary service and also get a glimpse of library work as a vocation. They get experience at the circulation desk, in reinforcing magazine covers, collating new books, repairing damaged books, and "reading" shelves. Helping Miss Findley and Miss Jones prepare exhibits for Book Week is another interesting task. The boys on the staff keep the books arranged systematically on the shelves. Each member of the staff helps to keep Lakewood High Library operating efficiently as a helpful source of references and pleasure for both the students and teachers during the school year.

Working at Metropolitan Opera Rewards Ushers

"May I give you a program, and show you to some seats?" are familiar questions to those who have attended any school events held in the high school auditorium. These questions come from members of the Ushers' Club which is under the direction of Mrs. Grace Stewart. These girls are easily identified by white dresses and yellow ribbon badges. Performing an important service to the school, they help make events enjoyable. Ushering for the performances of the Metropolitan Opera is one of the opportunities the Club offers. Members who are seventeen or over are interviewed, and if accepted, are scheduled for one or more performances.

Ushers looking over this year's opera program are M. Ansberry, B. Bemis, J. Jefferies, J. Gaydos, and L. Ahlgrim.

New Equipment Facilitates Work of P. A. Staff

February 1951 marked the beginning of a new era for the public address system. This month saw old, outmoded equipment being replaced with that of new and modern design. No longer will the boys have to keep their fingers crossed so that channel "A" doesn't "conk out" during an announcement. Nor will they have to work under the conditions shown in the lower left hand picture. The Public Address Staff will from now on be operating a new streamlined console amplifier in a soundproofed broadcasting room, installed in room 114, complete with an up to date control room, a sound trap, fluorescent lighting, and an individual P.A. studio.

In addition to this, Lakewood High School will have its own public address system for the football field. Although the Public Address Staff enjoys working with these modern facilities, it also has added responsibilities. For example, the staff not only helped to redesign room 114, but also worked on the problems concerned with the monitor and bell systems, an "on the air" warning sign, and other technicalities. As a result of the efforts of Mr. Glen T. Boruff, Bill Wallenfels, president for two semesters, and other staff members, the dream of many years standing—a modern, efficient public address system—has at last been realized.

Flash! Should girls be included in the membership of Projectionists Club? This is the controversy that has caused endless discussion among the members of this important service group. As the group picture indicates, girls have been admitted, but unless the present constitution is amended, they are the only girls who will ever be members. Only boys are now eligible to apply for apprenticeship and later qualify for advancement. Without this club, we would have no noon movies, no class movies in 126, and no assembly movies. Operators are scheduled to show classroom movies during their study halls, and they give up one-half of their lunch hours to show the noon movies.

The need at Lakewood for a club to carry on the work of operating equipment to provide for class movies and entertainment was met when the Projectionists Club was founded in 1932 by Mr. Jessup. The club runs both the 35 Mm. projector in the booth in the auditorium, and the 16 Mm. projector in room 126. The booth from which the noon movies are shown was built in 1934. At present the club allows only boys to enter as "rookies." After they have learned the tricks of the trade, they become eligible for advancement as stated in the constitution. The aim of the club is to promote fellowship and to bring together the students who enjoy working with the equipment.

Extra-Curricular Clubs and Activities Help to Express Individual Interests of the LHS Student . . .

From modern dance to bird walks, from "*Como esta usted?*" to "Lower the footlights," the many clubs sponsored by Lakewood High meet every type of interest. In these clubs students find an opportunity to pursue hobbies, many of which grow out of an interest created by class study, and to express those individual interests that enliven personality.

Band Formations Entertain Fans

Once more the Lakewood High Band added spice to the football season. This year, however, colored light formations received a new touch—majorette Shari McKim twirling live fire. But the activities of the band were not confined only to the football field.

The general public heard the band perform in its annual spring concert on April 6th. In addition, frequent trumpet trio performances and the participation of ensembles and soloists in the Greater Cleveland Music Contest brought deserved praise to the group.

Orchestra Gives Community Service

Katey Bremer directs several members of the orchestra as they tune up before their annual concert in January.

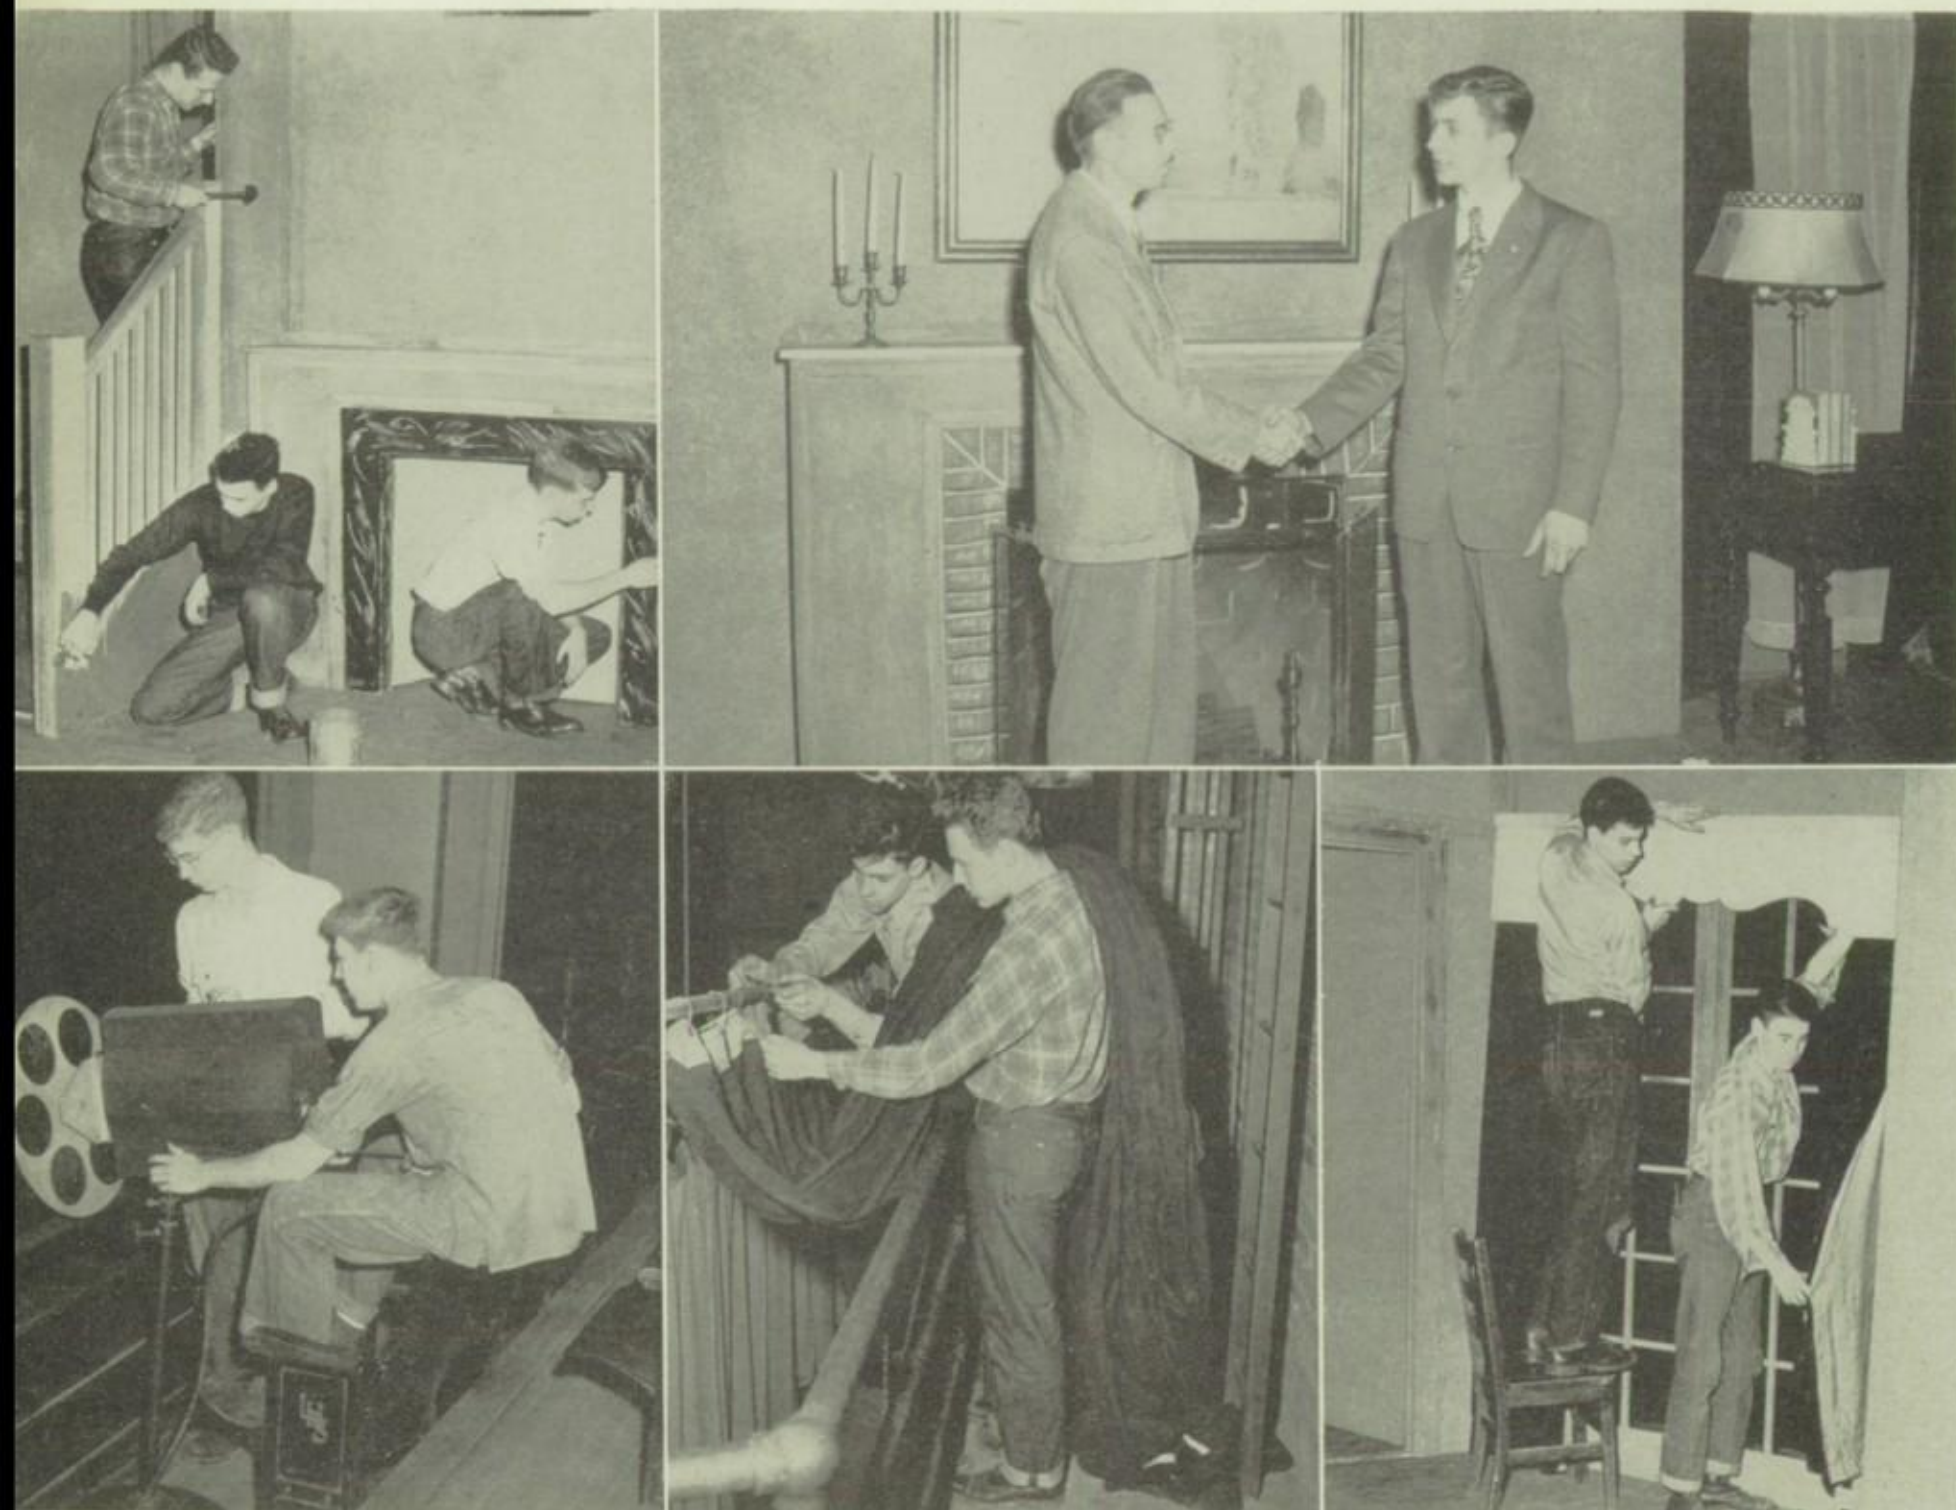

Many people think of the orchestra only in connection with graduation exercises. However, besides being an indispensable part of Baccalaureate and Commencement, it is a very civic minded group. It is a little known fact that each week a string quartet plays

for such civic organizations as Rotary club and for church groups. During the year the group gives three assemblies and two concerts, performs at the three junior highs, and participates in the district contest. Dancing in the gym follows spring concert.

"Watch that boom!" "Look out for that sand-bag!" "Duck!" These sharp orders are common phrases whenever the stage staff crews are at work setting up the scenery for a Barnstormer play, **Class Night**, **Laff Musicale** or some other stage production in the auditorium. Planning and executing the lighting effects for plays and for parties in the gym

is another part of their work. The stage crew also gives the **Cinema** staff assistance on days when the auditorium stage is used for taking group pictures and dramatized action shots. When the boys are not working, they retire to their "green room" to study. The Stage Staff has only two officers: President Ron Kehl, and Secretary Bill Watkins.

Barnstormers Score Success in Wilder's *Our Town*

"Curtain-time" for "Our Town" arrived without the usual expectant hush and dimming of lights, because the play began when the stage manager stepped onto the brightly-lighted stage. In the following two hours the audience witnessed a variety of scenes, including a rehearsal of a church choir led by a tipsy director, a solemn church wedding, and a funeral. The success of this play was due to the skill of the actors, not to the effects created by the scenery, for stage props were almost non-existent.

At two meetings the Barnstormers sat back and watched Mr. White, their sponsor, perform. For the first, he gave his traditional rendition of "The Idiot." The second was devoted to the reading of some of his prose and verse. Original plays and monologues were given by the members. Guest speakers were Garde Chambers of Videspian Theater and Mrs. Russell Jelliffe of Karamu House, who told about the work of those two groups. This year six Barnstormers earned membership in National Thespian Society.

W. R. U. Team Debates Before the Speakers' Club

"Should the non-communist nations form a new international organization?" What do you think? Many attending the Speakers' Club meeting at which this issue was debated changed their original opinion. A Western Reserve University debating team so aroused its audience that excited discussions of both issues, and speakers could be heard throughout the room following adjournment. Those present filled out comprehensive ballots, which were later tabulated and the results forwarded to the State Department.

The January senior farewell meeting, planned by Pat Gage and Julie Sajo, offered a vivid contrast to the seriousness of communism. Pat and Julie, as two gossipy women, presented a hilarious prophecy concerning the fate of graduating seniors S. Stearns, B. Metz, and B. Fordyce. In the field of extemporaneous speaking, Jack Swanson found that the long and tedious preparation was well-worth the opportunity and experience of competing in the annual Lake Erie League and Rotary Club contests for Lakewood.

Dramatization of a court trial as would be seen behind the Iron Curtain, and a presentation of a mock meeting of the Security Council of the United Nations were two ways in which Hi-Forum attempted to further interest in national and international affairs, the purpose of the club. Guest speakers and discussions on the topic, "The Problems of the Far East," were featured on the agenda

of the spring semester. Twelve club members visited Western Reserve University acting as United Nations' delegates from Brazil and from India to the Mock Assembly. Jerry Linderman represented Lakewood High School at a seminar on World Affairs in Cincinnati. Tracy Herrick traveled to Flushing Meadows, New York, where he attended the regular sessions of the United Nations.

Sponsored by the State Department, the voice of America broadcast enabled the Spanish Club to send greetings to South American countries. The purpose of this broadcast is to further better relations with our South American neighbors. Although this was largely a departmental project, Spanish Club members showed great interest. Besides this special event, the club has had a variety of programs: colored slides of Guatemala, taken and presented by Miss Abby Rush, speeches in Spanish, and a song contest. The annual Fiesta was held at the Community Center in December for members and guests.

Above: The Fiesta, the main social event of the club held in December, featured dancing and a floor show.

Understanding for Peace Is German Club Theme

Seeing travel movies, hearing speakers, and observing German holidays and customs all helped the 1950-'51 German Club to follow this year's theme of "Better Understanding for World Peace." Mrs. Margaret Johnson, speaker at the first fall meeting, contrasted life in Germany before and after the war, pointing out how American help, understanding, guidance are needed in Europe today.

Two public appearances, one over the radio station WDOK, the other at Cleveland Public Library, were made by a mixed chorus of German students in February and March. A potluck supper followed by an evening of varied entertainment at Ann Roberts' home, and a dance at Grant Auditorium took the place of the traditional Fasnacht Party. A senior farewell program ended the year.

Latin Club Program Celebrates Founding of Rome

Recognizing the traditional date for the founding of Rome, April 21, was the highpoint of Latin Week which was one of the important events on the Latin Club calendar. The meeting held on April 26 was addressed by Dr. de Sauze, the former director of language study in the Cleveland schools. Attending the meeting were the junior high Latin teachers, junior high representatives from the Latin classes, LHS language teachers as well as the Latin Club members.

A style show, John Varady's talk on astronomy, a dramatization of Roman life under the direction of Lynn Shipman, a wire recording of Caesar's assassination, Dick Detlef's talk on the lives of Claudius and Nero, renewing the pictures in Room 316, and the annual picnic completed the club's activities. Stimulated by the magic of imagination, members saw the ancient Roman traditions and customs come to life; and consequently, their enjoyment of Latin increased.

"Do you know any Indians?" asked one of the French Club pen pals. Corresponding with French students has been a club project, and reading the letters provided the most interesting program of the year. Newspapers and letters were sent to schools in France and French records, dolls, and letters were received in exchange. An increased understanding of the ideas of average citizens of each country was the purpose of the project. Margaret Johnson, editor of the World Friends Club column in the Cleveland Press, spoke at another meeting. At Christmas time, for the second consecutive year, the members put on the play, "Les Sabots du Petit Albert." Miss Rupp, who taught in Paris last year as an exchange teacher, spoke about her experiences. A marshmallow roast in the school garden was one of the most enjoyable social functions of the club this year.

Agassiz Sees Mounting of Specimens at Museum

Astronomy, ornithology, herpetology, and conservation provided topics for many discussions in Agassiz Club. Films added interest to many of these subjects, while speakers enlivened others, such as "The First Navigation of the Colorado River." One of the most interesting field trips of the year took members on a "behind scenes" tour of the Cleveland Museum of Natural History, where members watched specimens being mounted.

"The Duties of a Chinese Tea-Taster's Assistant in Ceylon" and "Why Seaweed is Impractical for Stuffing Furniture" were titles of two of the impromptu speeches given by all members present at the annual Christmas meeting. "The Little Roxy," a novelty chorus line, entertained students who patronized the Agassiz booth at one of the fall all-school parties. On the annual bird walk members cooked breakfast by dawn's early light.

Newton Society Celebrates 30 Years of Progress

With the beginning of the fall semester of 1950, Newton Society celebrated its thirtieth year as part of the extra-curricular activity program. Organized in 1920 under the guidance of Mr. Frank Porter to promote scientific interest and scientific thinking among

Lakewood High School students, Newton Society has constantly provided students with opportunities to meet other people who are interested in science and to witness science in action as applied to industry and business and to everyday living.

This year, as in the past, Newton Society members presented an assembly, demonstrating some of the phases of science and their applications. The show featured a demonstration of liquid air by President Edgar Jenkins and various electronic and chemical

demonstrations by other members. Programs during the year included talks by Case students. Most of the meetings' programs, however, consisted of talks and demonstrations by the members. Mr. Glenn T. Boruff has been the club adviser for the past 20 years.

Math Club Members Study Uses of the Slide Rule

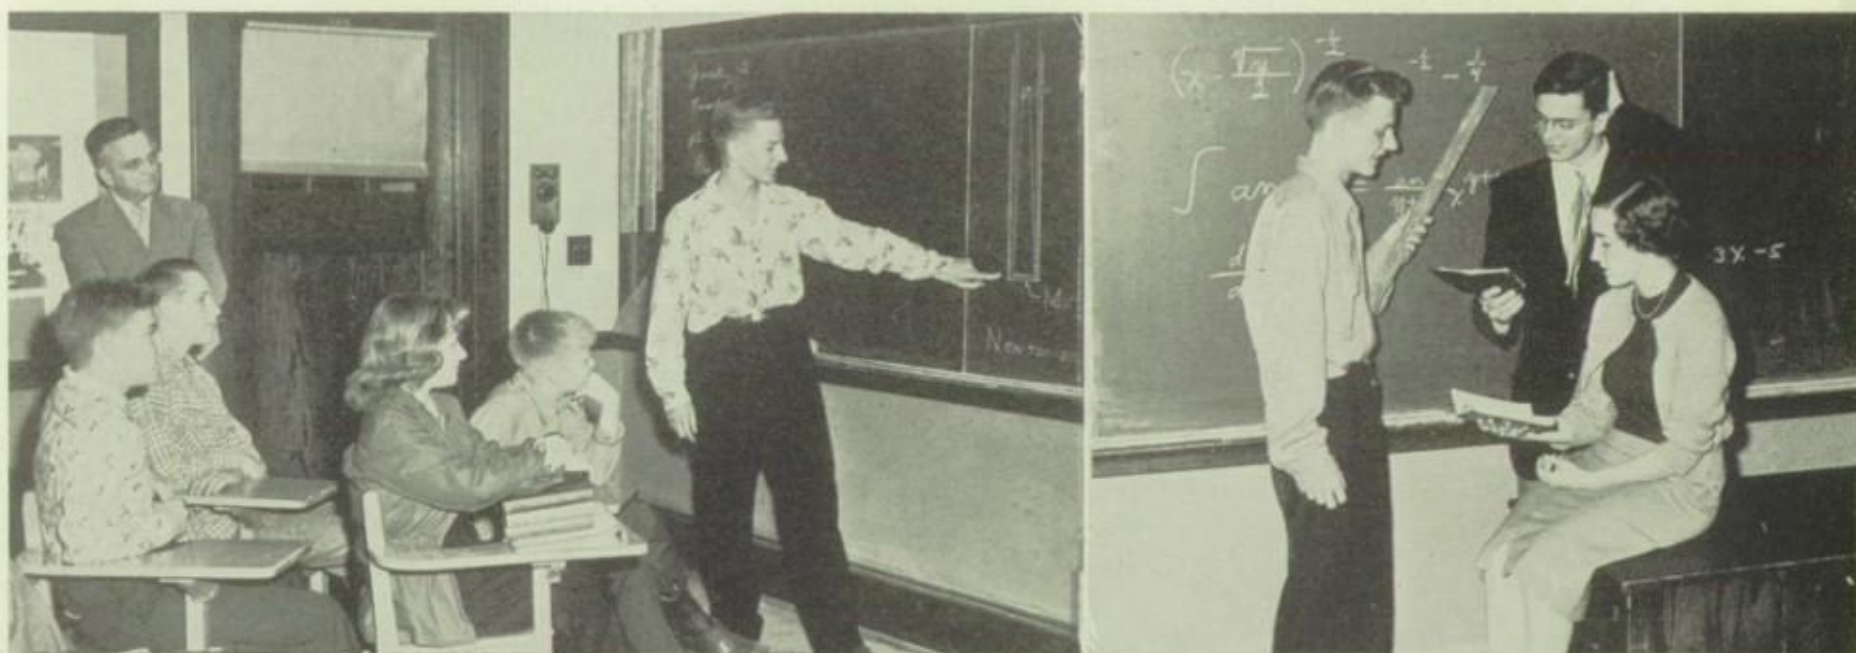

The Laws of mathematics may be as old as the stars, but rejuvenation is the watchword of the L.H.S. Math club this year. Discussions and demonstrations have been arranged with the emphasis shifting to the interests of the tenth grade group. The mysteries of the slide rule, a magical wand to the mathematician, were unveiled during a series of classes held under the direction of talented members, and many of them can now boast of mastering the skill of its manipulation.

Practical math was brought to the attention of Club members when Mr. Gibbs, an aeronautical engineer from N.A.C.A. laboratories, talked about some of the new developments in planes and wind tunnels. Relieving the monotony of the classroom, Math Club took to the out-of-doors for surveying instruction. The slide rule classes, interesting speakers, "hot" discussions, and surveying work have made Joe and Jill Lakewood more aware of the varied activities of the Math Club.

The buzz of gasoline motors and the whirr of propellers in the foundry on Wednesday means that Modelers Club is holding a speed contest on the concrete floor for the plane builders in the group. Although the club does not have a large membership, it is one of the most active clubs at LHS. At the time of the Higbee Contest the meetings are especially interesting, for the boys discuss their models and give encouragement and help to each other. The models which the boys build vary, and automobiles, railroads, or planes are chosen according to current interests. Through experimenting and building models, club members acquire practical knowledge of the transportation industries.

Bob Hewitt and Robert Craft, who both have model layouts at home, compare their scale model railroad cars.

Service and Informative Meetings Occupy F. T. A.

"What opportunities are open in teaching?" "What scholarship possibilities are there for me?" Future teachers seek the answers to these problems through the program of Lakewood High's Mark Hopkins chapter of F.T.A. The club presents speakers who are experts in various fields of education. This past year the club has heard the teaching philosophy of Mrs. Ethel Howard, supervisor of elementary education in Lakewood, Miss Dorothy Rupp reporting on her delightful year teaching in Paris and traveling in Europe, and a panel of Lakewood teachers. Seniors observed classes in the elementary schools.

The fall membership drive featured a plane ride to Columbus with Arlene Davis, noted pilot, in her Cessna 195, as the award for the three people who secured the most new members for the chapter. The members are interested not only in teaching children as a career but also in helping them now. A Christmas party, complete with games, stories, and goodies, and a picnic in April for the orphans of the Holy Family Home were important club projects. Each year a committee from the club helps decorate tables and ushers at N.E.O.T.A. A Christmas potluck for members was held at Libby Koskinen's home.

Learning which is the right way and the most becoming way to wear your hair is a problem that all Lakewood High School girls share. This problem, however, was solved for Home Ec members when Mr. Beifuss of the Beifuss Beauty Salon gave a program on hair styling. Not only did he tell of the current styles, but he showed, by a demonstration on a few girls, the right type of hair style for the individual shape of face. For another of their meetings, Miss Miller, the club adviser, held a potluck for the girls in her recreation room. Time was spent talking, eating, and playing group games.

A religious reading by one of the members at their Christmas party, a play, another potluck, and a speaker who showed how silver was made left no room for boredom. A tea given for the mothers and a farewell for the seniors rounded out this year's program. The Home Ec Club has a specific written purpose: "To provide an opportunity for personal development of the members, for service to the school and community, and for active anticipation in improving home and family living." Also included in the purpose of the club, according to Miss Miller, is that all members should have a good time.

Hi-Art Guild Reviews the Field of Commercial Art

Under the active leadership of Dick Avery and Judy Blackburn the Hi-Art Guild presented entertaining and instructive programs for its members. Last fall the club traveled by bus to the Cooper School of Art to discover for themselves the features of a commercial art studio. A speaker from Parkers' Ranch demonstrated leather crafts and tooling, giving advice on types of leathers and tools used and explaining the techniques.

At mid-term their traditional Wednesday meeting day was changed to Thursday to better accommodate the members. This spring the programs were planned to include a series of speakers who discussed and demonstrated such fields as advertising, lettering, and painting. The purpose of the year's programs was to help those members preparing for an active career in some of the varied fields connected with commercial art.

Preparing pictures for displays in the Charlie Geiger window to publicize school sports was the incentive which added zest to the Photo Club work this year. With some financial aid from Student Council, Photo Club provided excellent publicity for football, basketball, wrestling, and baseball. In addition they sponsored an all-school football assembly, showing individual shots of team members and movies of the games. Club meetings are used to study camera and dark room techniques. **Cinema** photographers from the Photo Club were George McFerron, Ed Cornely, and Allen Young. Jean Palmer and Ed Delfs was photographer for the **High Times**.

Auto Club Emphasizes All Safe Driving Techniques

The purpose of the Auto Club is not only promoting safe driving, but carrying out various safety projects around the school. Assisting with fire and atomic defense drills, checking on fire exit signs, and sponsoring an assembly during fire prevention week are some of the other projects of the club. The meetings are held on the first and third Thursdays of each month. The programs consist of movies, demonstrations and speakers on safety problems. That sign, "Do Not Enter," or "No Parking," or "Do Not Cross the Yellow Line" as you en-

ter room 40 does not mean that LHS students have been collecting souvenirs, but that the auto driving classes have added to their equipment a sample set of official road signs. Auto Club members, who are for the most part members of the auto driving classes, learn to drive with a dual-control car. At the end of each semester the state highway patrol examines students and issues licenses. The club is a junior member of the Cleveland Auto Club, which is co-sponsor. Assisting Mr. A. K. Cook, who is a pioneer in the teaching of auto driving in schools, is Mr. John Wood.

Careers in Business Interest Hi-Commercial Club

Demonstrations, advice, and talks on office attitudes were all a part of the Hi-Commercial Club's programs for the year. Miss Mary Pajunas, who types over the rate of 150 words per minute, explained the IBM electric typewriter. Advice on obtaining positions was given by Mr. Billenstein of the Cleveland Trust Company when he spoke on "Careers in Banking." Miss Violet Vogrin of the Ohio Bell Telephone Company gave a helpful talk on office attitudes, stressing the attitude with which a new stenographer should approach a job, and opportunities for advancements. From such meetings, members may decide more easily what field of the business world they would like to enter.

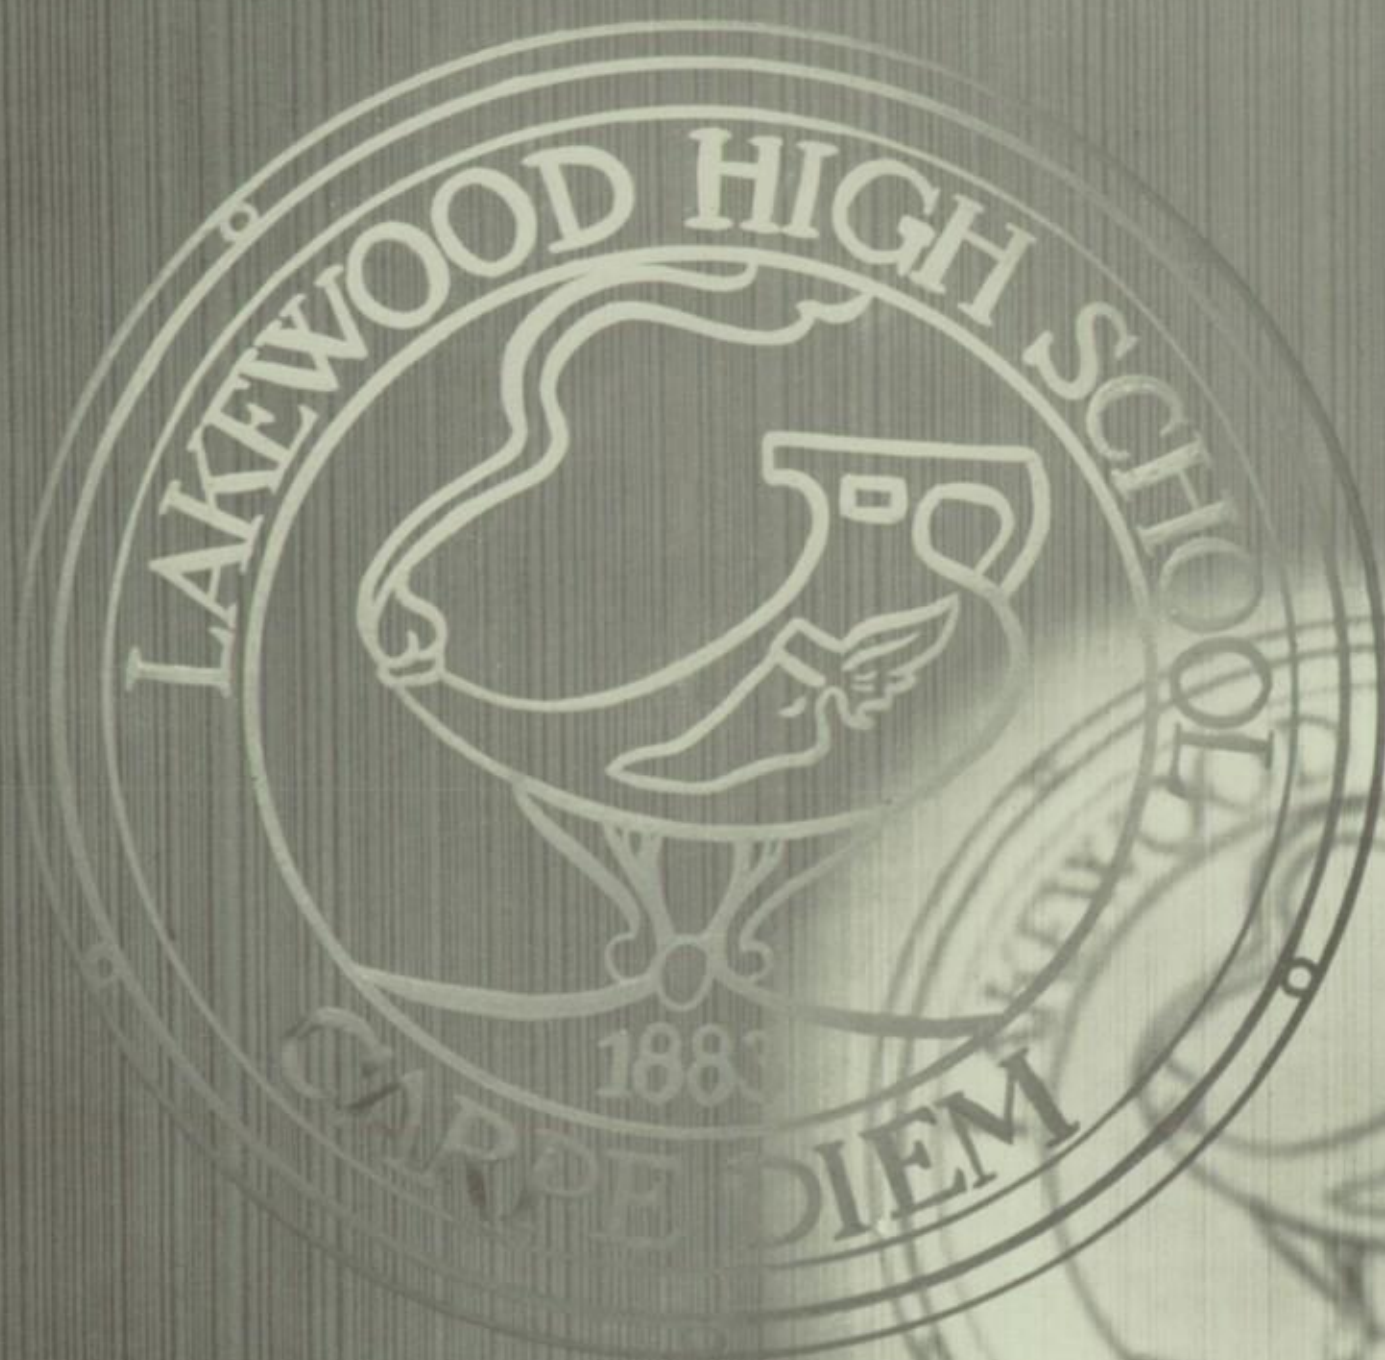

Officers of Hi-Commercial, C. Fritzsche, T. Zimmerman, H. Aiello, D. Kelly, and F. Spoth, discuss year's plans.

THE OPPORTUNITY...TO HAVE FUN...

Lively campaigns, applause for the King and Queen,
all-school parties add sparkle to life at LHS.

Lower left: C. Szalma, M. Skop, and J. Smerek, creators of the decorations for the "Spooks' Inn," put them up.

Lower right: At the Kick Off Dance, Lakewood High students enjoy their favorite type of recreation—dancing.

Plenty of food, a "smooth" band, effective publicity and colorful decorations built around a clever theme, and fun-making games and contests add up to one of Lakewood's festive all-school parties. Planned by the social committee composed of students and faculty members, these affairs are open to all Lakewood High students and their guests. Mr. Johnson is adviser to the committee.

Christmas Ball Mark High Points on Social Calendar

Fast-moving Mexican Hat Dances, vigorous Charlestons, lively Hokey Pokeys, and the popular polkas have been added to the Lakewood High School social scene. The Christmas Ball, which is the only formal all school party, was held at the Mid-Day Club. One of the traditions of the Football Dance, held on Thanksgiving evening, is the crowning of a king and queen during intermission.

Upper left: Christmas Ball Committee members and their dates take time out from dancing to be photographed.

Lower: The majorettes in their trim, new uniforms lead the band through their half-time entertainment. Band members and majorettes spend hours practicing on these routines which bring pleasure to many at football games.

Singing the Alma Mater and the National Anthem, watching Shari twirl her lighted baton during the half-time darkness, buying refreshments from Friendship and Hi-Y members, wearing purple and gold beanies, cheering until you are hoarse, slopping through drizzly rain, sitting under blankets, eating soggy pop corn—all these and the ambition of an undefeated team mean LHS football.

Job, Students Find That the Lakewood Way Is Fun

Cheering the team to victory, learning ballet steps for a program in the auditorium, receiving a well-deserved trophy in recognition of athletic ability and service, applying for that important job that takes a senior out of the world of school into the world of business—these are a few of the dozens of experiences and opportunities that make life at Lakewood High fun and worthwhile.

Seeing Barnstormers' Plays Is a Lakewood Tradition

Upper: A dramatic scene from "Our Town" is the one in which Emily is brought to the graveyard after her death. The many comments of the dead add poignancy and drama to this highly emotional and sentimental scene.

Lower left: Jack Swanson mixes up some sodas for Lynn Shipman and Bob Wynn as they talk about their future.

Lower right: Mary Ellen Tucker, Bob Wynn, and Lynn Shipman gaze at moon from atop their ladder bedrooms.

When the house lights dimmed, Jack Swanson, who took the part of the stage manager in the philosophical drama of "Our Town," sauntered to the side of the stage, pipe in mouth, to begin the narration of this poignant story of love and tragedy. From this beginning until the concluding scene in the graveyard, the cast, ably directed by Mr. White, held the audience completely spellbound.

Calendar Includes College Night and Open House

Important traditions at Lakewood High are Open House, when parents visit classes and learn first-hand what Johnny and Susy are doing at school, and College Night, when representatives of many colleges and the armed services meet parents and students who are deciding that all-important question, "After high school—what?" This year Rocky River High School joined Lakewood in the program.

Classes of 1951 Enjoy the Whirl of Senior Week

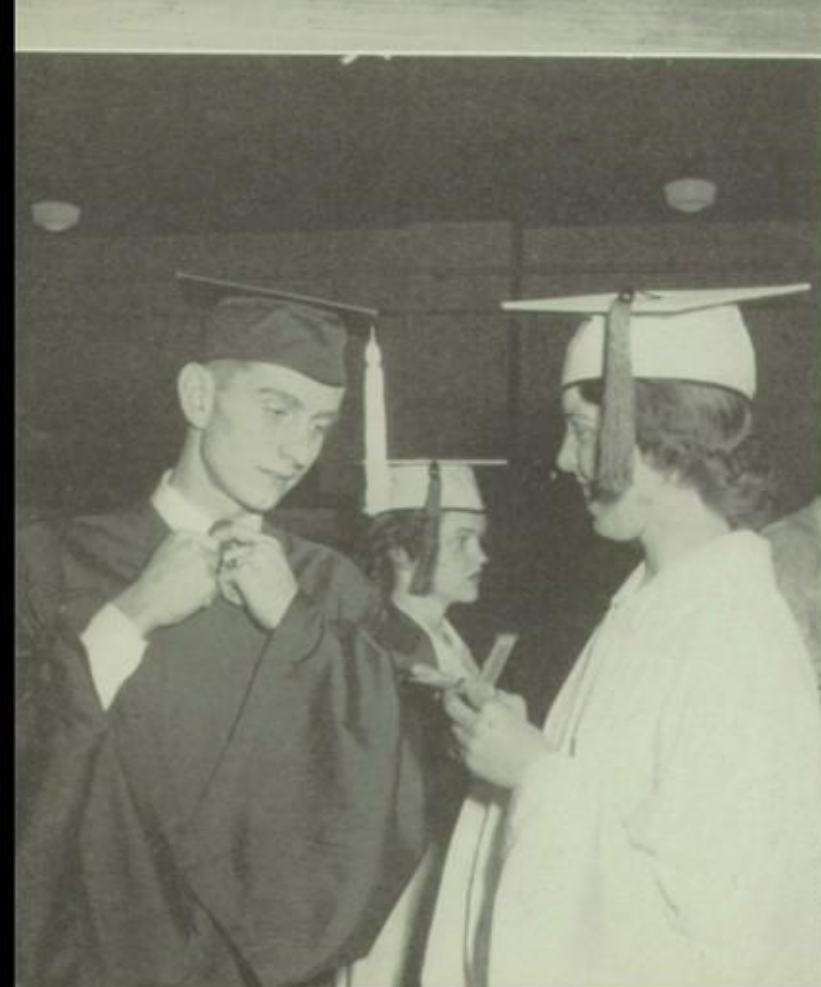

Upper left: Checking in their caps and gowns is the last responsibility of the seniors on Commencement night.

Lower right: Members of the Senior play cast search in vain for the detective magazine which they all desired.

Sophomore, junior—all of a sudden you are a senior. Your life is a whirl of announcements, namecards, being measured for senior robes, buying new dresses and suits, wearing class colors the last day of school, ordering flowers for that all important date at the prom, practicing for Baccalaureate and Commencement, and going to open houses. You are a senior! You are graduating!

Sally Stearns, class speaker, receives her diploma from T. D. Auble, President of the Board of Education. The other class speakers, Bev Ellms, Paul Fitz-Gibbon, and

Bob Ackermann wait their turns to receive their diplomas and congratulations from Principal M. A. Povenmire and Supt. M. W. Essex as part of the commencement ceremony.

Commencement Is Climax of the Senior Activities

Graduation week! These words seem to have magic in them—the magic that comes with goals achieved, with dreams come true. The excitement and gaiety that reaches a climax

with the awarding of diplomas has a touch of sadness in it as the seniors realize that school days are over and that they and their friends must go their separate ways.

Saluting the Class of '51

The Bailey Company (Lakewood's Only Complete Department Store) is proud of the young folks ready to graduate from High School, and the Freshmen, Sophomores and Juniors following in the footsteps of the Senior Class. We show our pride by presenting smartest Apparel possible . . . keeping prices within "allowance-conscious budgets."

Our hours are keyed to the convenience of Mothers and Fathers who like to shop with their families. Our Sales People are your friendly Lakewood neighbors . . . who are waiting to serve you, at your convenience.

actual miles per gallon
among 26 cars entered in standard classes**

IN the 1951 Mobilgas Economy Run, three Studebaker 4-door sedans—Champion, Commander V-8 and Land Cruiser V-8—successfully defended their reputation for stand-out gasoline mileage. The cars competed over a tortuous 840-mile course from Los Angeles, via Death Valley and Las Vegas, to the Grand Canyon, at speeds averaging more than 40

miles per hour. The Studebakers, piloted by experienced drivers under A. A. A. Contest Board rules, made operating history with averages of 28.6, 28 and 27.6 actual miles per gallon. Each Studebaker had overdrive, optional at extra cost—and used regular, not premium, gas! Come in and see cars just like these record-making thrift stars on our showroom floor.

"Chalk Up"
Another
Winter
of
Skating Fun
at
Winterhurst

Reluctantly, we say . . . "So long, fellows and gals" . . . as we heartily express our thanks to one and all for having joined us again this past season in one of the heartiest sports we know . . . ICE-SKATING at WINTERHURST!

But happily, we'll be there waiting for you when winter rolls around again.
